Today I learned everyone feels the same

Today I realized, once again, that life will always be unfair,

Today I learned, some things are too hard for all to bare,

Today I learned, I raise my head high to create an illusion of hope for others,

Today I learned, we all feel the same, secretly, in silence, we live in pain, with one another,

Today I learned, it is better not to speak about it,

Today I learned, everyone feels the same.
