

Dec. 29th 1882

Mr. Lewis

I send Lemmitt
a check for one hundred
and fifty dollars for the
hire of him during the
present year. He will
if Providence permits make
a visit home in a few days.
I am greatly gratified to
hear of the Wednesday after-
noon prayer meeting. And
trust that you may all soon
see our Heavenly Father an-
swer to your prayers.

Very truly your friend
J. Jackson
