Jan. 24. 1902

Miss Belpat J. Tignor, of Damascus,
has just completed our Professional
course & taken the correspond-
ing diploma. She has taught
successfully our term in the
Training School and she gives
promise of much usefulness in
her chosen career. She is an
earnest & industrious worker
and a young woman of high char-
acter - one, in a word, whom I
have pleasure in commending as
fully trustworthy -

Robert Frazer
