Dr Sir

The above is a statement of the expenses at the Bell Tavern of a part of the troop under your command which Lieut. Fuqua promised to settle, before he left town, which he said to do - will you be so obliging as to attend to it, for us - as all the Gentlmen are intirely strangers to us -

Yrs. respectfully
NB Lieut. Fuqua promised to keep an acc of the ~~Exp~~ Expenses - I number of Dinners Bkfts &c each time by reference to his memo: you can check the above, should it not be exactly correct
