## Cemetery Restoration & Monuments Committee

**Mission:** The mission of the Cemetery Restoration and Monuments Committee is to:

- Compile a cemetery survey and directory
- Maintain a cemetery photograph inventory and directory
- Compile and maintain a historical marker inventory
- Suggest potential monument and historical marker sites
- Determine sites that require improvements
- Determine fencing standards for sites
- Suggest fund raising activities for site improvements
- Set historical marker standards.

**Progress:**  Survey forms were sent to the membership. A few have been returned completed. (Thanks to Barbara Rowles)

Several sites have been identified for improvements

### **Path**

**Forward:**  Recommend branch captians to compile data

Teams go to sites and compile data

Dedicat issue of RR&R to cemetery restoration
