There's Just One thing that we can say - it's never

always something exciting, always  
something new, so we've put

it all with you....

Alpha Sigma Alpha  
"Memories"

1984-1985

Editor: ALLISON BERRY

Your out of Here!!!  
Junior / Senior  
Party

It seems as if before we have a chance to realize that today is over, tomorrow has begun.

Our years together have past as swiftly as one sunset to its sundown, as quickly as one generation to another.

Our memories will remain intact, these years we have spent together forever imprinted on all of our minds.

Let us remember all the good, let the bad fade into the dust of yesterday.

We will all turn our heads to face tomorrow and hope we will again meet in the years to come. - S. Margolis

We sure do miss them!

And so our year is  
over,

we wonder where it's flown—  
Together we have lived and loved  
and together we have grown

Some will leave us now,  
Some will come back next fall  
And those that do will try to  
make next year the  
very best of all...

We wish the very best to  
our graduating seniors in  
all they do—  
And a safe and happy vacation  
to all!
