## COMMITTEES OF THE FACULTY

### COLLEGE COURSES OF STUDY:

Mr. Lancaster, Miss Barlow, Miss Bedford, Miss Draper, Mr. Grainger, Mr. Jeffers, Mr. Landrum, Mr. McCorkle, Mr. Moss, Miss Patterson, Miss Ruffin, Miss Sutherland, Mr. Savage, Miss Tupper, Mr. Wynne.

### SUMMER SCHOOL:

Mr. Wynne, Mr. McCorkle, Mr. Savage, Mrs. Watkins.

### ADMISSIONS:

Mr. Savage, Mr. Brumfield, Miss Bugg, Miss Sutherland, Mr. Swertfeger, Mrs. Watkins.

### CATALOGUE:

Mr. Savage, Miss Bugg, Miss Foster, Miss Gleaves, Mr. McCorkle.

### SCHEDULES:

Mr. McCorkle, Mr. Coyner, Miss Jeter, Miss Stubbs, Mr. Wakefield.

### LIBRARY:

Miss Ruffin, Miss Bedford, Miss Carter, Mr. Grainger, Mr. Schlegel.

### THE VIRGINIAN:

Mr. McCorkle, Miss Bedford, Miss Foster.

### THE COLONNADE:

Mr. Grainger, Mr. Coyner, Miss Jennings, Mr. Schlegel.

### ROBERT FRASER MEMORIAL LOAN FUND:

Miss Craddock, Miss Foster, Miss Peck.

### ASSEMBLY PROGRAMS:

Mr. Jeffers, Mr. Coyner, Miss Gleaves, Miss Headlee, Miss Sutherlin.  
Student representative: Marjorie Miller.

### RADIO:

Miss Wheeler, Miss Clark, Mrs. Davis, Miss Ruffin.  
Student representative: Ann Galloway.

### SCHEDULE—ENTERTAINMENT:

Miss Wheeler, Mr. Brumfield, Miss Burger, Miss Eason, Mrs. Landrum, Mr. Wakefield.

## STUDENT ASSISTANTS

### Administration

ALLIE JANE FELTON

JACKIE JARDINE

GERTRUDE RUTH STABLES

### Biology

GRISWOLD BOXLEY

MARY LEIGH MEREDITH

ANN LANGBEIN

VIOLET RITCHIE

### Business Education

CORNELIA MARSTON

### Chemistry

STUART MCGHEE

LUCY TYLER THRIFT

### General Science

NANCY McADEN

PATRICIA WALKER

### Modern Languages

DALILA AGOSTINI

### Physical Education

FRANCES ALLEN

### Visual Education

HELEN M. HARDIN

ELIZABETH V. SPINDLER

MARY ELLEN TEMPLE

### Pianists

JUNE BANKS

V. PAGE BURNETTE

# General Information

## HISTORY OF THE COLLEGE

Longwood College represents the accumulation of educational efforts for more than a hundred years. Martin's Gazeteer of Virginia, published in 1835, records that there was at the time of the writing of the book, "1 female school" in Farmville. This was succeeded by the "Farmville Female Seminary" (called on its cornerstone "Farmville Female Academy"), incorporated March 5, 1839, and changed by amendment March 21, 1860, to the "Farmville Female College." This college, under church and private management, enjoyed a long period of successful work, directed from 1873 to 1882 by Dr. Paul Whitehead and from 1882 to 1884 by the Misses Carter, of Mecklenburg County.

In the very beginning this institution as a State college represented the response of far-sighted educational statesmen to the needs of the public school system. The first State legislature to assemble after the adoption of the *post-bellum* constitution established, on July 11, 1870, a system of public schools. For twelve years or more the conduct of the schools was entrusted to such teaching forces as were found ready at hand. During this period it became evident to educational leaders that, if the returns were to be in any wise commensurate with their cost and the high mission of the system, some provision had to be made for the proper training of teachers. To meet this demand the Legislature, on March 7, 1884, passed an act establishing a State Female Normal School. On April 7, 1884, the property of the "Farmville Female College" passed from the hands of its joint stock company to the town of Farmville which, on the same day, deeded it to the State of Virginia as the site of the Normal School. In October of the same year, the school was opened with 110 students enrolled.

Since that time there have been several important landmarks in the history of the institution. In 1914 the Legislature changed the name to State Normal School for Women at Farmville and in January, 1924, to the State Teachers College at Farmville. On March 25, 1949, the State Board of Education, acting on authority granted to it by the General Assembly in 1938, changed the name to Longwood College. In 1916 the College was authorized by the Virginia Normal School Board to offer a four-year curriculum leading to the B.S. Degree in Education. In 1935 it was authorized by the Virginia State Board of Education to offer courses leading to the standard A.B. degree, and in

1938 to offer courses leading to the standard B.S. degree. In January, 1938, the Board authorized it to offer curricula in business education.

## **PURPOSES**

The College has three purposes:

1. To prepare students as teachers in various types of service in high schools and elementary schools. It undertakes to help students preparing to teach to learn not only those things that are especially important for teachers but also other things that are important for educated people everywhere. It provides many courses in which the work is influenced by the particular type of teaching which the student is expected to enter. It provides for supervised practice teaching through which the student learns to teach by teaching and in consequence of which college courses become more meaningful and significant. It provides also for its students, even as do other colleges, courses in the fine arts, including literature, music, and art; foreign languages; mathematics; the natural sciences; history and the social sciences; philosophy and psychology.

2. To provide a sound education for students who desire liberal arts degrees.

3. To provide training for students planning to enter professional schools and for those who seek two-year courses leading to positions in business.

## **STUDENT BODY**

While the student body is composed primarily of women, men are admitted on the same basis as women. No dormitory facilities are available, at the present time, for men enrolled in the regular session but they may obtain their meals in the dining room. Rooms for male students are available in private homes near the College.

## **ACCREDITATION**

The College is fully accredited as a professional school for the training of teachers and as a liberal arts college. It is accredited by the Southern Association of Colleges and Secondary Schools, the American Association of Colleges of Teacher Education, the National Association of Business Teachers Training Institutions, and the Virginia State Board of Education. Its pre-medical curriculum is approved by the Council on Medical Education and Hospitals of the American

Medical Association. Its pre-professional curricula in law, dentistry, nursing, and medical and X-Ray technique prepare students for admission to accredited schools.

## LOCATION

The College is located in the progressive and thriving town of Farmville, fifty miles from Lynchburg and approximately sixty-five miles from Richmond and Petersburg. The community is the business and educational center of this area of Virginia, with good schools, churches, and hotels. Located here also is the modern Southside Community Hospital.

Farmville is situated on the Norfolk and Western Railway. Serving it also are several bus lines, including the Greyhound and Trailways systems. Excellent highways leading in all directions intersect here.

The climate is pleasant the year around. The geographic location of the College assures the absence of extremes in temperature and weather.

## THE CAMPUS

The buildings and equipment of the College have been provided and arranged primarily from the point of view of their usefulness and convenience. In size, number, and relation to one another the buildings give a pleasing effect because they fit in a well-conceived plan and serve the purpose for which they were designed. The whole plant is compact rather than scattered. The various structures are so related by connecting links that the student hardly knows when he goes from one building to another. Such an arrangement has the advantage of linking the student activities and the classroom work closely together. It enables students to move from one part of the College to another without exposure in bad weather. It saves time in that the classrooms, the laboratories, the assembly halls, the dining hall, and the dormitories are close together, and walking long distances is unnecessary. It gives the effect of the comfort and security of a well organized home. The furniture and draperies throughout the network of buildings are beautiful because they fit in a larger pattern that is satisfying.

### The Dormitories

The dormitories consist of the second and third floors of the main group of buildings, including the five wings, and Cunningham Hall, which is a three-story brick structure, southwest of the main building. Every building is supplied with steam heat, electric lights, and hot and

cold water with ample bathrooms on each floor. Every room is supplied with single beds and other necessary furniture. The rooms in Cunningham Hall are grouped in suites of two with connecting baths. Each building is supervised by a trained hostess who makes it homelike and comfortable.

### **The Dining Hall**

The dining hall is located at the rear of the main entrance and is entered from the rotunda. In this building are located the dining room, kitchen, bakery, refrigerating plant, and a recreation hall.

The dining room is in the form of a Maltese cross and will seat 1,000 students on the main floor, and 100 students in each of the two balconies. The kitchen and bakery to the rear of the dining room are modern in every respect with a capacity to meet the needs of the student body. The refrigerating plant on the ground floor provides for the proper preservation of foods. The recreation hall also on the ground floor is convenient for social gatherings after meals and on other occasions.

### **Lecture Rooms**

In general the classrooms are on the first floors of the various buildings, which in effect constitute the main building. For the most part the classrooms of any given department are situated in the same section of the building. The classrooms are well-lighted and are supplied with comfortable chairs and slate blackboards. Efficient maid service keeps classrooms and halls clean and tidy. Drinking fountains are convenient to students in going from one classroom to another.

### **Science Laboratories**

The departments of science are provided with well-lighted laboratories and classrooms, and are equipped with modern apparatus to meet the needs of students. They are also provided with departmental libraries, and all of the supplies necessary to make the students' work efficient, inexpensive, and pleasant. The Department of Biology is located on the ground floor of the postoffice wing of the main building while the Department of Chemistry and Physics is located in the Science Hall which is situated south of the main building. A new science building, costing \$450,000, is now being constructed. When completed, it will house the Departments of Biology, and Chemistry and Physics.

### **The Arts Building**

The Departments of Art, Business Education, and Home Economics are housed in the west wing of the main building. All laboratories are fully supplied with modern equipment. The large, well-lighted, and compact arrangement of classrooms for each type of work make for comfort and efficiency in these technical fields.

### **The Library**

The library is conveniently situated on High Street west of the main building and parallel with it. It is ample, conveniently arranged, and modern in every respect. The stack rooms, reading rooms, lounging rooms, seminar rooms, and lecture hall are complete from the standpoint of service, comfort, and beauty. The library contains 46,884 bound volumes, more than 3,300 pamphlets, pictures and maps, 342 current periodicals, and 15 daily newspapers.

### **The Laundry**

The laundry, a separate building, is equipped with all the necessary machinery for doing excellent work, and it is ample in capacity to meet the needs of the institution.

### **The Administration Offices**

The main building faces the north and is situated about one hundred feet from High Street. It is a three-story brick structure, extending the full length of two blocks, giving the appearance of a continuous building. There are, in fact, five distinct buildings or wings which face the street. About midway between the Student Building, or the right wing, and the Arts Building, or left wing, is the main entrance to the rotunda and the reception hall. Down the hall on the left of the rotunda on entering are the offices of the President, the Business Manager, the Treasurer, the Dean, the Executive Secretary, the Registrar, and the Alumnae Office. Down the hall to the right on entering are the offices of the Dean of Women.

### **Auditoriums**

In the Student Building, which constitutes the east wing of the main building considered as a unit, is an auditorium seating approxi-

mately 200 persons which is used by the Young Women's Christian Association and for public lectures. A new auditorium and music building, seating 1,300 persons, is now being constructed on the campus west of the Library.

### Laboratory Schools

The laboratory schools in which students teach are operated jointly by the College and the local public-school authorities. The Elementary School is located on the campus, and the High School is located only four blocks away. Both schools are large enough, and yet not too large, to provide adequate opportunities for both pupils and student teachers. The buildings are well-equipped with laboratories libraries, cafeterias, and work rooms. The principals and faculties of both schools are especially well qualified by training and experience for demonstration teaching and supervision of student teaching. The College program and the program of student teaching are co-ordinated through the Department of Education, which is responsible for the administration and coordination of the cooperative efforts of the faculty of the Elementary School, the faculty of the High School, and the special supervisors representing the various subject-matter departments of the College.

### Student Activity Centers

The College, in both equipment and arrangement of buildings, provides for the needs and convenience of students in their extra-curricular activities.

*Student Building.* The Student Building is intended primarily to serve these ends. It is a large four-story building fronting High Street, parallel with the administration quarters and the library building. It contains a large lounge for social gatherings; an auditorium for the use of the Young Women's Christian Association and other public meetings; rooms for the Student Council, the Y. W. C. A. Cabinet, the publications, and specially equipped rooms for the honor societies and the sororities.

*Gymnasium and Swimming Pool.* On the ground floor of the Student Building are a modern gymnasium and the quarters of the physical education department. The gymnasium is well equipped for basketball, gymnastics, and many features of physical education. Just to the back of the gymnasium and opening into it is a swimming pool of modern design.

*Athletic Grounds.* The athletic grounds are ample in every respect. They meet the needs of all students interested in outdoor sports such as tennis, soft ball, hockey, lacrosse, and golf.

### Recreation Centers

*The Recreation Hall* just beneath the dining room and back of the rotunda is a beautiful hall in which hundreds of students assemble after dinner, and on special occasions. Here they dance and sing, give their class stunts, and have good times in many ways. Located in the Recreation Hall is the "Snack Bar", a modern soda fountain operated by the Alumnae Association.

*The Student Building* is a place for the more serious work of the student organizations, but it is also an important recreational center. The lounge, the auditorium, the Y. W. C. A. reception room, and the specially equipped sitting rooms for the use of various societies and sororities provide for recreational and social activities of many kinds.

*The Longwood Estate*, site of the birthplace of General Joseph E. Johnston, is now owned and maintained by the College. Here, in the atmosphere of the Old South, students are privileged to have teas, receptions, and week-end parties. The estate comprises one hundred and three acres of beautiful, rolling grounds with a nine-hole golf course. In a thickly wooded section of the place are a natural amphitheatre where the May Day festivals are held, and a log cabin with out-of-door fire places where students go in groups for rest and recreation. The estate is located one mile east of Farmville and is one of the oldest and most beautiful homes of Southside Virginia.

## THE COLLEGE YEAR

The College year consists of a regular session, including two semesters of 18 weeks each, and a summer session of eight weeks. The student may enter in the summer or at the beginning of either semesters of the winter session. However, most students will find the beginning of the first semester in September the most convenient time for them to enter college.

## DEGREES AND CERTIFICATES

The College offers professional training in the field of education that prepares students as fully certified teachers in elementary or high schools. Bachelor of Science degrees are offered in elementary, sec-

ondary, home economics, and business education. Bachelor of Arts degrees in secondary education are likewise offered.

The College offers also the liberal arts degree of Bachelor of Science and Bachelor of Arts with majors in the following fields: art, biology, chemistry, English, French, geography, history, Latin, mathematics, music, physical education, psychology and philosophy, social science, sociology, and Spanish.

Students who complete the first two years of the curriculum leading to the B.S. degree in business education are awarded a two-year certificate and are prepared for clerical positions. Those who complete the first two years of the curriculum leading to the B.S. degree in liberal arts are able to satisfy the entrance requirements of schools of nursing, dentistry, and medical technology.

All curricula leading to teaching lead also to the Collegiate Professional Certificate, which is the *highest certificate offered* by the State Board of Education. Holders of the B.S. degree and B.A. degree may teach all subjects for which they have credit for 12 semester hours of College work, except in the case of certain special subjects, and may also teach in the sixth and seventh grades. They may teach in the lower grades, provided they secure credit for ten semester hours of College work in courses designed especially for teachers preparing to teach in the elementary schools. Students completing curricula not designed for teachers are, nevertheless, entitled to the Collegiate Certificate.

## ADMISSION REQUIREMENTS

The following students are eligible to apply for admission to the College:

1. Graduates of public and private high schools accredited by the State Department of Education in Virginia or the accepted accrediting agency of any other state. (The State Board of Education has ruled that preference be given to Virginia students of academic and personal qualities of a high order who desire to teach.)

2. Those who are not graduates of accredited high schools but who pass an achievement examination given by the College, the State Department of Education, or the College Entrance Examination Board. Those who wish to take such an examination should make arrangements with the Dean of the College prior to the beginning of a term.

3. Advanced students transferring from other recognized colleges

and universities. Such students are given a fair equivalent in credit for courses they have taken, provided they are entitled to honorable dismissal from other institutions they have attended and that they meet the other admission requirements of the College.

No specific number of high school units of credit in any subject is required for admission, provided the student has the necessary credits for graduation from an accredited high school.

In order to apply for admission, a student must take the following steps:

1. Submit the preliminary application blank found in the back of this catalogue. This must be accompanied by an application fee of ten dollars. The fee is applied to the first semester account of students who are accepted for admission. It is returned to those whose applications are rejected. It is forfeited by those who fail to complete their applications and by those who fail to attend after their applications are accepted. (Checks and money orders should be made payable to Longwood College.)

2. Fill out and return to the Dean of the College a detailed application blank that will be sent to him when the College receives the preliminary application blank.

3. If he has had less than one year of college study, and he has not taken the scholastic aptitude test administered to all high school seniors in Virginia by the State Department of Education, take a scholastic aptitude test administered either by a school official in his community or by an official of the College.

4. Request that the principal of the high school from which he was (or is to be) graduated submit to the College a transcript of his high school record on a form provided by the College. Students who have attended other colleges and universities must likewise request that the registrars of those institutions send to the Dean of the College complete transcripts of their records.

When the College receives the student's application, application fee, scholastic aptitude test (if any), and the transcripts of his record, its Committee on Admissions examines his qualifications carefully and notifies him as to whether or not his application is accepted. If it is, he and his parents are assured that in the opinion of an impartial committee he is qualified to undertake his college studies.

All communications regarding applications for admission should be sent to the Dean of the College, Longwood College, Farmville, Virginia.

## CREDITS AND COURSES

The credit hour, abbreviated as credit, is the "semester hour". Two credits are equal to one standard session hour. In general, a credit means one class period a week for one semester. For instance, a class meeting three hour periods a week for one semester gives three credits. Laboratory periods two hours in length give the same credit as lecture periods one hour in length. In some cases, where the nature of the work requires less preparation than the standard, as in the case of many courses in physical education, the courses may carry only one or two semester hours of credit.

The courses numbered between 100 and 200 are designed for first-year students; those between 200 and 300 for second-year students; those between 300 and 400 for third-year students; and those between 400 and 500 for fourth-year students. Not more than eighteen credits in courses numbered below 300 are allowed in the third and fourth years.

### Student Load

The normal schedule of the student during any semester ranges from twelve to eighteen credits, the number of class hours varying with the number of laboratory periods. The average number of credits is sixteen. Students who wish to enroll in courses giving a total of less than twelve or more than eighteen credits must obtain permission from the Dean of the College. The health, previous academic record, and needs of the student will be considered in all requests for such permission.

### Course Changes

All changes in courses in which students are enrolled must be approved by the Dean of the College. No student is permitted to enroll in a course later than the last day of the two-week period following the first day of a semester. Any student who withdraws from or "drops" a course after the instructors have made the mid-semester grade estimates will receive a grade of F for that course. The only exceptions to this regulation are in cases wherein the College Physician recommends withdrawal because of illness or accident.

### Grades

The achievement of a student in his courses is indicated by the grades he receives. The significance of these marks is shown below:

A: Excellent    C: Average    E: Conditioned    I: Incomplete  
B: Good        D: Passing        F: Failure

The lowest passing grade is D. However, for a degree or a certificate a student must earn a general average of C (or a quality point average of 1.00) on all of his college work. He must have also a general average of C in those courses constituting his major subjects or field. At times it is necessary that a student repeat certain courses or enroll in additional courses in order to raise his averages to these requirements.

At the end of the first half of each semester of the regular session, mid-semester grade estimates are issued to the students and their parents. These are not official grades. Instead they represent the instructors' estimates of the students' progress up to that point. At the end of each semester, reports are issued to students and their parents showing their final grades in each course in which they are enrolled.

### **Quality Credits**

The quality of work completed by a student is recognized by the assignment of points or weights to various grades. He receives three quality points for each semester hour of credit with a grade of A, two points for each hour of B, and one point for each hour of C. No points are given for grades below C. Thus, a student who receives a grade of A in a course carrying three credits receives nine quality points. A grade of B would enable him to receive six points and a grade of C, three points.

On this basis a quality average may be computed by dividing the total number of quality points the student has earned by the total number of credits or hours of work in which he has been enrolled. Freshmen must earn a minimum cumulative average of 0.50 to be academically eligible to return for another session. Sophomores must earn a minimum cumulative average of 0.78 and juniors, 0.90.

### **Honors and Privileges**

The Dean's List, which is open to all students who carry the required load of work, recognizes superior scholarship. To be placed on the Dean's List a student must have an average of B+ (2.25 quality points) on all work taken for the semester with no grade below a C. The student on this list may be absent from classes when he can use his time in ways that seem to him more profitable. A student may be removed from the Dean's List if his mid-semester grades do not meet the required standard.

Two honor lists will be announced at the annual commencement exercises. Those students who average nearer A than B on four years'

work will be graduated "With High Honor". Those who average B or better but nearer B than A on four years' work will be graduated "With Honor".

## **DEFERRED EXAMINATIONS**

Deferred examinations from the first semester must be taken within 30 days after the beginning of the second semester. Those deferred from the second semester must be removed during the summer session or during the last two days preceding the date set for the return of upper classmen to the College in September. Those deferred from the summer session must be removed during the same two days in September as noted above.

## **SERVICE TO STUDENTS AND ALUMNAE**

The College provides numerous types of services to its students and alumnae. Some of these are described elsewhere in this catalogue. Others of importance are described below.

### **Student Personnel Program**

The College recognizes that the giving of information is only one phase of the student's education. It must also assist each student to develop in all areas of his life. It must be prepared to assist him in making plans for the future and in solving problems of the present. It must be interested in him as a person as well as a member of a class group. Therefore, every faculty member has guidance responsibilities involving work with students on a personal basis. Their work is coordinated by the Dean of the College who directs the student personnel program.

The work of the Home Department, headed by the Dean of Women, is likewise an integral part of the student personnel program. This department is responsible for student life in the dormitories and for the social activities of the students. It has intimate daily contact with all students and is in a position to assist them at all times with their social adjustment. Its work is coordinated with that of the faculty so that there is continuity and purpose in the personal assistance rendered to students throughout their college careers.

The Student Health Service, headed by the College Physician, cooperates in every way with other activities of the student personnel program. The physical condition of every student is a primary factor in his adjustment while in college and the cooperation of the Health Service, the faculty, and administrative officials, is considered essential.

Each student's contact with the student personnel program begins with the consideration of his qualifications by the Committee on Admissions when he applies for admission. At the time that he is accepted, the College already has a knowledge of his background, achievement, abilities, and interests. Soon after he matriculates at the College, each freshman is assigned an adviser who is likewise his instructor in at least one class. This faculty member is available at all times to give him assistance in making his plans and solving his problems in an intelligent manner. The office of the Dean of the College maintains extensive personnel records on each student in order that it may assist him and his adviser as they work together during the year.

The College recognizes that many students have not decided definitely on a specific course of study or vocation at the time that they enter as freshmen. Therefore, they are not required to make a choice at the time that they begin their studies. All freshmen take a general course. The required subjects in this are English, history or geography, a science, and physical education. In addition, they elect two courses in other subjects in which they are interested. This gives them an opportunity to "explore" during their freshman year in such a way that they are better prepared to make definite choices as to what they will study beginning with their sophomore year.

All freshmen are required to prepare major themes in their English course which deal with their interests, background, abilities, and ambitions. Thus, they have the opportunity to become better acquainted with themselves and vocations while developing a knowledge of English. These activities assist them in making their plans for the future.

The first week of each regular session is known as "Orientation Week" for freshmen and other new students. The administrative officials of the College, in cooperation with the members of the Y. W. C. A. and carefully selected students who serve as orientation leaders, conduct a program of study and activities which acquaint the new students with the customs, traditions, and regulations of the College. This program has proven to be exceedingly valuable to new students as they adjust to the life on the campus. Throughout the country, the College is known for the sincere interest shown by the student body, faculty, and administrative officials in the students beginning their study here.

### **Student Health Service**

The Student Health Service of the College upholds the highest standards of physical and mental health and emphasizes the prevention of illness. An excellent health record has been maintained here because

of the close cooperation between the College Physician and other departments that are in a position to assist in the promotion of student health. The Department of Physical Education works in close cooperation with the Service with a view of promoting physical fitness and correcting defects as well as the development of health consciousness.

The Service is staffed by the College Physician who is a part-time member of the College staff, a full-time registered nurse, and a registered nurse employed on a part-time basis.

*Medical Certificate.* After a student's application for admission has been accepted by the Committee on Admissions, he is required to submit a medical certificate from the family or other physician stating that he is in good health and not handicapped with physical defects that will permanently disqualify him for college work. The College provides a special blank for this purpose.

*Entrance Examination.* Soon after a student matriculates, he is given an examination by the College Physician to determine his fitness for the various activities in the physical education program. The results of this examination are given to the Department of Physical Education. Every student is required to take some form of physical exercise.

*Periodical Examinations.* Periodical examinations are given in order to observe the progress of cases limited in activities by the entrance examinations.

*Special Examinations.* Special physical examinations are given to students by the Service when they are requested by the Department of Physical Education.

*Infirmary Service.* Students needing medical attention are treated in the modern infirmary maintained by the College. This is well equipped and can accommodate more students than normally require medical attention at any one time. It is housed in a separate building connected with the Main Building. Daily sick call is held there at a time which is most convenient to the students.

The infirmary gives a twenty-four hour service with a nurse available at all times. The College Physician is available on call at any hour. The College does not assume responsibility for any medical attention except that given by the College Physician and by the nurses. Consultants, specialists, dental work, operations, hospitalization, private nurses, special prescriptions, X-rays, other laboratory work, etc., are at the expense of the student. The College Physician communicates with the parents immediately in case of serious illness.

The Southside Community Hospital is located only a few blocks from the College in Farmville. It is well equipped and in charge of a

capable staff of physicians and surgeons. The College Physician is a member of the staff.

### *Health Regulations*

All students are required to abide by the regulations of the Student Health Service. These are summarized below.

1. All medical excuses, whether illness is on or off campus, and whether the student is treated by the College Physician or his private physician, must come from the College Physician.

2. Off-campus students living in their own homes enjoy all the benefits of the Student Health Service except infirmary room service. The College personnel, however, are not entitled to the use of the Service.

3. A student sufficiently ill to be confined to bed is not allowed to remain in a dormitory. She must be in the infirmary where she may have medical attention and the care of the nurses. No excuses are given unless this rule is observed.

4. The hostess in charge of each dormitory or residence hall must report any cases of illness to the infirmary.

5. Hostesses or the heads of homes in which off-campus students are living are required to report without delay to the infirmary any cases of illness which may occur among the students in their homes.

6. Students at home on account of illness are required to notify the College Physician immediately upon their return to College.

7. Students who have been exposed to any infectious disease must report to the College Physician before attending classes or mingling with other students.

8. Students living in their homes or off-campus students who have been ill with infectious disease must report to the College Physician before resuming classes.

9. Consulting physicians are called at the request of either the student or her parents or guardian, but in all cases the consultant must be called by the College Physician.

10. Appointments with outside physicians or with dentists involving excuses from classes must be made by the College Physician.

### **Library Service Program**

A library orientation program is required of all freshmen. This program consists of six formal lessons on how to use the library, given

by members of the library staff in connection with the history and geography courses of instruction. By means of this program students become familiar with the library building and its functional divisions, with the various book collections, and with general and special reference tools including the card catalog. They learn how to borrow library materials, how to use the Faculty Reserve Collection, and how to locate subject material or specific books. This program is followed up by individual and group instruction throughout the entire four years of college.

Library service to alumnae is continued in the form of services locally rendered or services by mail. Loan service to teachers in southside Virginia is formally organized according to the regional plan put into effect by the State Board of Education. It is the policy of the library to obtain maximum use of its materials in the interest of students, alumnae, teachers, and other friends of the College.

### **Student Records**

A complete record of every student's work is kept in the office of the Registrar. At the end of each semester every member of the faculty reports to the Registrar the record of the achievement of each student in each of his courses. As soon as possible thereafter, the parents or guardians are sent the complete record of the student's work for the semester.

The College not only keeps the records of students on file but it makes provision for sending, on demand, transcripts of such records to other institutions. For example, the student who, for any reason, wishes to have his credits transferred to another college or university or to another state for purposes of securing a teaching certificate there, informs the Registrar. His credits are then transferred immediately.

### **Certificates**

All certificates to teach in Virginia are issued by the State Board of Education. When a student completes the prescribed course of study, the Registrar sends a transcript of his work to the State Board of Education which, in turn, issues the appropriate certificate to the student.

### **Placement Service**

The College maintains a placement service, headed by the Executive Secretary, for the benefit of its students and alumnae. Notices of vacancies are secured from superintendents, principals, supervisors,

and alumnae. The character of a position and the qualifications of available graduates are given careful study, and the best person in the estimation of the authorities is recommended.

In order to secure the best possible service, administrative officials should state clearly the character of positions to be filled, and the alumnae needing help should state clearly their needs and promptly make known their acceptance of positions or change in positions.

### **Association of Alumnae**

The Association of Alumnae serves both the College and its former students. It keeps the alumnae informed of the activities of the College and keeps the College informed as to the problems and needs of the alumnae. The Association of Alumnae is a kind of clearing house through which the alumnae and the College can work together to their mutual benefit. It also serves to keep former students of the College interested in one another by organizing them into local associations and bringing them back to the College on special occasions.

The Association operates in many ways. It keeps a record of former students, holds reunions, aids worthy students through the Fraser Memorial Loan Fund, Cunningham Memorial Loan Fund, and Jennis Masters Tabb Memorial Fund, and organizes local chapters of alumnae in counties and cities. It makes available the College news through *The Rotunda*, the weekly publication of the College, and the Alumnae Magazine, and brings to the attention of the College the achievements and needs of individual alumnae. It holds an annual meeting at the College on Founders Day in March.

## **STUDENT ACTIVITIES**

Numerous student groups on the campus assure a well-rounded program of activity for each student as well as the opportunity for student participation in the affairs of the College.

### **STUDENT GOVERNMENT ASSOCIATION**

All students of the College are members of the Student Government Association which is headed by the Student Council composed of officers and members elected by the student body. This group manages the affairs of the students in cooperation with the administrative officials of the College. Regulations governing the conduct of students both on and off the campus are enacted and enforced by it.

The underlying principles of conduct and relationships of the students, faculty members, and administrative officials are embodied in the honor system, a cherished tradition of the College. The way of life on the campus is based on the Honor Code.

### **The Honor Code**

A high sense of honor, in all his relationships and activities, should be one of a person's most cherished possessions. It is the one essential that enables a person to respect himself, and to merit the respect of others. It is the one thing that makes it possible for a group of people to live together with perfect confidence. Such an effective honor system is one of the oldest and highest traditions of Longwood College.

Upon entrance here a student is assumed to be a person of absolute honor until he proves himself otherwise. This means absolute honor in all academic work, financial and property matters, and personal relationships, whether supervised or not. It cannot be over-emphasized that this places upon each individual student the obligation of constant vigilance to maintain absolutely honorable conduct.

The Honor Code requires a student not only to remain honorable in his own conduct but to report all infractions of the honor system he observes. This latter is in many respects the most difficult phase of the system. The measure of a student's love of the system and of his College, nevertheless, is the extent to which he is willing to shoulder this burden.

When a possible infraction of the honor system is reported to the Student Council a careful and secret trial is conducted. The accused will be given every opportunity of proving his innocence. If the verdict is innocent the minutes of the trial will be destroyed, but if the verdict is guilty the decision will be announced to the student body.

### **House Council**

The House Council of the College is composed of four officers elected by the student body and of the students who are appointed presidents of the various halls in the dormitories by the President of the Council. It is the responsibility of this group to set up and enforce the regulations governing student life in the dormitories.

### **YOUNG WOMEN'S CHRISTIAN ASSOCIATION**

The Y. W. C. A. Association in the College is a branch of the national Y. W. C. A. The administrative direction is in the hands of

the students assisted by an advisory committee of the faculty. It promotes a number of religious activities. Daily prayer services and weekly devotional meetings are held. Usually these exercises are conducted by the students. From time to time some recognized religious leader is brought to the campus by the Association to discuss with students questions of religious interest and help individuals with personal religious problems. Through the Association, Bible study classes are organized in each of the churches of the town. The organization through its committees welcomes new students individually and sponsors a reception to freshmen early in the fall. It likewise provides informal entertainment for other groups of students from time to time during the year.

### ATHLETIC ASSOCIATION

All students are members of the Athletic Association. The Athletic Council, consisting of students and a faculty adviser, has control of both intra-mural and inter-collegiate sports and contests and attends to all the business of the organization. Contests between classes and between organizations are held in tennis, basketball, soft ball, hockey, volley ball, lacrosse, and swimming. The nine-hole course at Longwood gives students an opportunity to play golf. In collegiate sports, teams are maintained in tennis, basketball, and hockey.

### STUDENT PUBLICATIONS

The students of the College sponsor four publications, *The Rotunda*, *The Colonnade*, *The Virginian*, and the *Student Handbook*.

#### Rotunda

*The Rotunda* is a weekly newspaper which keeps the students and faculty informed of the College news and the interests of the College as observed from the point of view of the students. It not only expresses the attitude of the students towards various phases of College life and current activities but also exerts an important influence in the development of the ideals of the community.

#### Colonnade

*The Colonnade* is a literary magazine to which students, members of the faculty, alumnae, and others contribute. It publishes in literary form some of the results of the thinking and writing done in the College and among its friends.

## Virginian

*The Virginian* is the year book of the College. Students are responsible for the art work, the editing, and the management of the publication. Each issue represents a cross section of the College life for the year. It is, therefore, highly valued by the members of the graduating class.

## Student Handbook

*Student Handbook* is the manual of rules and regulations governing the conduct of the students. In addition, it contains the constitutions and by-laws of the Student Government Association, the Young Women's Christian Association, and the Athletic Association, briefer descriptions of other organizations, and a description of the customs and traditions of the College. It serves as the orientation textbook for all new students.

## HONOR SOCIETIES

There are two types of honor societies in the College. The first consists of those organizations that are comparatively general in character and not confined to any department or section of College life. They are open to all students who meet the high standards of excellence required in scholarship, leadership, and character. There have been established on the campus local chapters of the following national organizations: Kappa Delta Pi, Alpha Kappa Gamma, and Alpha Phi Sigma. The second type includes a number of societies which place most emphasis on special fields. There have been established on the campus two of these national honor societies: Pi Gamma Mu and Pi Kappa Delta. Of this type also are the local organizations, Beorc Eh Thorn and Orchesis.

*Kappa Delta Pi* is a national honor society in education in the broad sense. Its membership consists of students interested in the activities of the teaching profession including all fields. The membership in this organization is confined to students of the junior and senior years, whose scholarship ranks in the upper fourth of that of the student body.

The Beta Epsilon Chapter of Kappa Delta Pi was organized in 1928. It represents the development of Pi Kappa Omega, a local honor society founded in 1918 in response to a need felt by the faculty and students for an organization through which scholarship, character, and service might be given recognition. Ten years later it was merged into Kappa Delta Pi, which emphasized the qualities recognized by Pi Kappa Omega with an additional emphasis on a professional outlook as broad as the College itself in all of its departments and activities.

*Alpha Kappa Gamma*, national honor society for leadership, was organized in 1928. It represents the merging of local societies which had been founded in order to bring together groups of representative students and faculty members, whose purpose was to foster high ideals and standards of leadership. Alpha Delta Rho, organized in 1925, became the Joan Circle of Alpha Kappa Gamma and was one of the charter members of the organization. Its field of work is the promotion of desirable co-ordination of various activities and interests of the College.

*Alpha Phi Sigma* is an honorary society confined to leading teachers colleges. Its membership is composed of students of high scholastic rating. The Delta Chapter, the local chapter of this society, was established in 1930 with seventy-five members. The activities of this organization are designed not only to benefit its membership but also to further interest in scholarship in the whole institution.

*Pi Gamma Mu* is a national social science honor society. The purpose of this society is to further the scientific study of the problems of social science. The Virginia Gamma chapter, the local organization of Pi Gamma Mu, was organized in 1927. In addition to a high standard of general scholarship required for entrance each member must show an outstanding interest in the social sciences and must conduct, while a member of the society, some original work in some of the social sciences.

*Pi Kappa Delta* is a national forensic honor society. It is the largest of three honor societies in this field. The Virginia Alpha Chapter was chartered in 1928 and is one of the one hundred and sixty-five chapters in thirty-six states. Its purpose is to develop and maintain a high standard of skill and sportsmanship in debating and oratory.

*Beorc Eh Thorn* is a local honor society in English founded at the College in October, 1935. The three Old English rune letters, which it has adopted for its name, symbolize the quest of literature to which the members are pledged and the inspiration and discipline which it affords. The society seeks to encourage creative writing and the study of literature. It gives its active support to the publication of *The Colonnade* and sponsors visits of distinguished writers to the College.

*The Orchesis* is an honorary dance group organized in May, 1933. The group creates its own dances and usually sponsors a dance program in the winter and helps with the College May Day in the spring. Members are selected from those who have taken at least two semesters of modern dance.

## SORORITIES

Eight national sororities have chapters on the campus. Sigma Sigma Sigma, Alpha Sigma Alpha, Pi Kappa Sigma, Alpha Sigma Tau, Theta Sigma Upsilon, Kappa Delta, Zeta Tau Alpha, and Delta Sigma Epsilon.

## STUDENT CLUBS

In addition to the various honor societies there are a number of clubs that appeal to the interest of different groups. Among the more active of these organizations are the Cotillion Club, the Dramatic Club, and the music organizations including the Choral Club, and the College Choir.

*The Dramatic Club* is open to all students interested in the dramatic arts. Any student may register for the apprentice period of six months. Those who show most ability are elected to full membership in the club and are assigned to work in one or more of the departments. The departments are: acting, stage design, costume, make-up, lighting, property, and business. The 150 members of the organization are divided into groups according to their varied tastes, and these groups provide dramatic entertainment for the meetings of the club as a whole. The club gives training in coaching and producing high school plays and sponsors an annual play contest among the high schools of Southside Virginia. Under the direction of a competent coach the Dramatic Club each year gives a fall and spring production for the entertainment of the whole College community.

*The Cotillion Club* is an organization with a membership of 250 whose primary aim is the promotion of good dancing. The club sponsors two major dances each year, one in the fall and one in the spring. These dances have come to be regarded as important events in the social life of the College year.

*The Philosophy Club* is a group of students who are interested in problems of philosophy. The organization meets once each month for recreation and discussion of philosophical questions, and sponsors lectures in philosophy by members of the faculty of the College and invited guests from other institutions.

*Le Cercle Francais* and *El Club Espanol* are clubs to which all modern language students are eligible.

The programs of the regular monthly meetings, which are given in the foreign languages, consist of songs, skits, games, current events, and short talks on cultural subjects.

*The Music Organizations* of the College are the College Choir, Madrigal Singers, and the Choral Club. These are important factors

in the life of the College. They select their members through try-outs at the beginning of the session and give several concerts each year.

*The Commercial Club* is an organization of the students in the Department of Business Education who are interested in becoming better informed in regard to teaching commercial subjects and problems in the field of business. The programs of the regular monthly meetings involve lectures and discussion of business problems of current interest.

## PROFESSIONAL ORGANIZATIONS

There are in the College two organizations whose interests are primarily professional in character. Eligibility to these organizations depends largely upon the students' professional qualities rather than on their academic standing.

*The Association for Childhood Education* is a national organization composed of nursery school, kindergarten, and primary teachers and others who are interested in the education of young children. It concerns itself with the conservation of child life through securing a better understanding of children, and providing better opportunities for their development. The local organization grew out of the Primary Council which was organized on our campus in 1927, and later became affiliated with the national A. C. E. Students who teach in the elementary school are eligible for membership.

*The Future Teachers of America* is a national organization of prospective teachers enrolled in colleges and universities, and in high schools. The local organizations are called F. T. A. clubs in the high schools and chapters in the colleges and universities. The F. T. A. chapters are affiliated with the local, state and national education associations. They serve as training schools for the improvement of professional relationships. The J. L. Jarman Chapter was organized in November, 1939, and received its charter from the National Education Association in 1940.

## MAJOR PHASES OF STUDENT LIFE

In recent years much has been written about the education of the whole individual. In this institution, in order to provide for a well-rounded development, the life of the student is considered from several points of view. Some of the more important phases are the physical, the moral and religious, the social and recreational, and the academic and professional.

### **Physical Life**

The physical life of the student supplies the foundation for his liberal education and success. However important other things may be, a strong, healthy body is fundamental. Consequently, every possible precaution is taken to safeguard student health and to develop a strong constitution. By providing regular physical examinations, well heated and ventilated dormitories, and balanced meals, the College seeks to protect its students against disease, improve their power of resistance, and develop their capacity to work without strain. Through athletics, dance, and regular exercise, the students not only find recreation but also maintain health and vigor.

Despite all possible precautions against disease some illness naturally occurs. Therefore, the College maintains a modern infirmary in charge of a physician and trained nurses. There is available also in Farmville the Southside Community Hospital for any cases that may require hospitalization.

### **Moral and Religious Life**

The moral and religious aspects of education are considered as important as are the physical and intellectual. During the history of the College a tradition of good will, cooperation, and high standards of personal relationship has developed. Such a stabilizing influence cannot be described; it can be appreciated only through living in the atmosphere it engenders. But this intangible influence is experienced by both students and faculty to such a degree that it has become a distinct moral force in the whole College community.

The College is a home in which everyone is expected to do his part and share in a give-and-take relationship with others. Certain modes of life are prized and valued because in a long history they have proved their worth and are therefore meaningful and significant to all. In such an atmosphere it is difficult for the young student to fail to develop high ideals and a wholesome moral outlook on life.

The Young Women's Christian Association, of which all women students are members, is a strong religious force in the community. It provides training and experience for the officers and others interested in religious work. The brief devotional exercises conducted by the ministers of the town, the President of the College, and members of the faculty at a weekly Chapel program give students a rest from class work and time to reflect on spiritual matters. The Y. W. C. A. conducts daily evening prayer services, holds special weekly Morning Watch services, urges attendance at church school and church, and fosters a spirit of religious life and service. Under its auspices the World Week of Prayer is

observed, mission study classes are conducted by the faculty, and others, a series of addresses by some Christian leader is given each year on the fundamental principles of the Christian religion, and noted speakers representing the international point of view address the students on important current movements.

Students are also encouraged to participate in the religious life of the community. They receive a cordial welcome from the ministers of the town to attend their church functions, which include regular Sunday services, prayer meetings, Sunday School classes, and social gatherings. Special leaders, working with students through the medium of student organizations, are provided by many of the churches.

Local churches include the Baptist, Episcopal, Lutheran, Methodist, Wesleyan Methodist, and the Presbyterian. The Roman Catholic Church holds Mass each Sunday in the Lounge of the Student Building. Where there is no organized church leadership, as in the case of the Christian Scientists, students of the respective faiths usually have contact with local residents having similar church affiliations.

### **Social and Recreational Life**

The individual with a well-rounded and balanced personality is social in outlook and attitude. He is able to work and to play with other people. The community life in the College makes it easy for the students to participate in social life in many ways. There are a number of activities in which the recreational and social life are very closely related.

In the recreational halls students gather for dances. In the parlors they entertain their friends. They have several dances a year to which young men and women are invited from outside the institution. The Y. W. C. A. reception for freshmen during the opening week of the College where the new students meet the upper classmen and the faculty is a delightful occasion for all. The Founders Day celebration in March, in which the students, the alumnae, and the friends of the College all participate, is one of the great events of the year. The College Circus given every year by the student body is a notable event in the whole community. The May Day Festival, an annual celebration held in the Amphitheatre at the Longwood Estate, features the crowning of the May Queen and involves pantomime and dancing by students. The Athletic Association offers an opportunity for all students to participate in the numerous sports through class tournaments and varsity competition.

Some of the more important social and recreational activities consist

of a series of entertainments provided by musicians, actors, dancers, and speakers and presented in the auditorium at intervals throughout the College year. The College Choir and the Choral Club offer an opportunity for many students to participate in programs for the entertainment and recreation of the whole College community. The Dramatic Club offers a similar opportunity to students with some talent in the dramatic arts.

Participation in activities of this kind lends meaning and significance to life. The students learn through the experiences thus provided to appreciate and enjoy the best cultural elements. They learn to entertain themselves, to live together in a dignified, yet informal, atmosphere of culture and refinement.

### **Academic and Professional Life**

The academic and professional life of the College constitutes the main emphasis to which all other activities are secondary and contributory. It centers around the courses of instruction offered in the various departments of the College. Some courses are primarily cultural, liberal, and broadening in outlook. Others are primarily professional and designed to prepare students definitely for teaching in the elementary and secondary schools of the State. In still others academic scholarship and the professional spirit are very closely combined.

The spirit of the class work is free and natural. The members of the faculty and the students work together as members of a large family in which every one is expected to do his part. The students accept their instructors as friends and guides. Through such a spirit of fellowship and good-will are developed initiative, cooperation, responsibility, self-control, and other intangible qualities of personality and character. The method and spirit of the classroom are considered by the faculty as important as the content of the courses. More emphasis is placed on perspective and professional outlook than on routine and mechanical performance. The controlling ideal is a well-rounded personality capable of adjustment to the demands of a changing civilization rather than the mechanically trained expert. The more serious work of the classroom is not separated in spirit and method from other activities; it is rather an integral part, although a more serious part, of the whole life in the institution.

### EXPENSES

The cost of attending the College is quite moderate. This is due to the State's effort to bring within the reach of worthy students the advantages of a liberal education and to supply its public schools with adequately-trained teachers. Outlined below are the charges made to both boarding and day students.

#### Boarding Students

The vast majority of the students are boarding students and live on the campus. Excellent provisions are made for them in the dormitories and in the dining room. Each dormitory room is supplied with single beds, mattresses, and other necessary furniture. All buildings are supplied with modern conveniences, with an abundance of hot and cold water and plenty of bathrooms. The dining room and kitchen are furnished with modern equipment and conveniences. Trained and experienced managers are in charge of the dormitories, kitchen, and dining room. Only the best quality of foods is used. All laundry work is done in a modern laundry owned by the College.

The following charges are made to boarding students for the nine-month session:

*Board, room, and laundry, \$175.00 per semester.....	\$350.00
College fees (except laboratory fees), \$75.00 per semester.....	150.00
	<hr/>
Total for the session.....	\$500.00

Laboratory fees vary according to the courses in which they are charged. Their amount may be determined by reference to the descriptions of courses elsewhere in this catalogue.

Each boarding student must provide her linen. She should bring with her an adequate supply of towels, and at least four single sheets, two pillow cases, two single blankets, and two single spreads.

#### Day Students

Some students live in the community rather than on the campus. These include all male students and some women students. They are

\*Because of the uncertain conditions prevailing with respect to the cost of operating the institution, the College reserves the right to change its rates at any time throughout the year to meet such additional costs.

offered the same educational opportunities as are the boarding students but, of course, they are charged only the college fees of \$75.00 per semester and the laboratory fees.

### **Out-of-State Students**

Students who are not residents of Virginia are charged a tuition fee of \$50.00 per semester in addition to the other fees and charges described above.

### **Method of Payments**

All fees for the semester are paid before entering classes. Board is payable by the semester in advance. For those who find it more convenient, board and college fees may be paid in four installments of \$125.00 each, payable in advance. Students are not allowed to register for any semester at the College until all previously incurred College expenses have been paid or adequately secured. The student is expected to pay his own bills. Consequently, *parents should make checks for all fees and board payable not to the treasurer of the College but to the student.* No credit for college work may be given to any student for a diploma, a teacher's certificate, or for transfer purposes until all financial obligations to the College, other than student loans, have been paid.

### **Refunds**

*Fees:* A student withdrawing from the College within ten days after registering shall have refunded in full all fees except the sum of \$10.00 to cover the cost of registration. If he withdraws or is dropped from the rolls for any cause after the tenth day of the semester, no refund shall be made for that semester except in the case of illness, when the refund shall be prorated upon presentation of a certificate from the College Physician or some other reputable medical practitioner.

*Board, room, and laundry.* A student withdrawing from the College before the end of a semester shall be charged for table board for the time he was actually in residence at the monthly, weekly, or daily rate as the case may be. No refund will be made for room rent for the semester.

### **Guests**

Students entertaining guests in the College dining hall are charged seventy-five cents for each meal. The crowded condition of the dormitories makes it inconvenient to have over-night guests.

Former students of the College are always welcome, and are not charged for meals or accommodations for a period not exceeding two days. Those who remain for a longer period may secure meals and room accommodation at the rate of \$4.00 a day. It is requested that the Dean of Women be notified in advance of a contemplated overnight visit to the College by former students.

## **FINANCIAL ASSISTANCE**

The College offers three types of financial assistance to students in need of such aid: part-time employment, scholarships, and loans.

### **Part-Time Employment**

A limited number of part-time positions are available each year in the dining room, library, and offices of the College. Application for these should be made to the President of the College before June 1.

### **Scholarships**

The General Assembly of Virginia has provided a number of scholarships for students in Virginia colleges who are residents of the State and who are enrolled in approved courses of study preparing them to be teachers in the public elementary and high schools. (If preparing for teaching positions in high schools, they must be majoring in subjects in which there are shortages of teachers as determined by the State Board of Education.) These scholarships are valued at \$300 per year. They are open to qualified sophomores, juniors, and seniors. Freshmen who have superior academic records in high school, who earn superior scores on a standard scholastic aptitude test, and who appear to be personally qualified for careers in teaching, are likewise eligible. For each year that the student receives a scholarship, he must agree to teach in Virginia's public schools two years, thereby cancelling the indebtedness and interest. If he does not teach, he must repay the amount received plus interest.

*Summer Session Scholarships:* The General Assembly has provided summer session scholarships, not to exceed \$100.00 each for the full summer term, for those who can qualify under any one of the following headings:

1. A college graduate without any Virginia teacher's certificate.
2. A college graduate with a four-year non-renewable Collegiate certificate.

3. A holder of the Emergency teachers license who has taught successfully for one or more years.

These obligations may be cancelled by teaching one year immediately following the summer term.

#### *Mary White Cox Memorial Scholarship*

The Prince Edward County Chapter of Alumnae will award to an outstanding girl graduate from the Worsham High School or the Farmville High School in June, 1949, the sum of \$50.00 to be applied on her expenses at the College for the session of 1949-50.

### **Loan Funds**

Unless it is otherwise noted in the descriptions of the funds listed below, applications for loans should be made to the President of the College. Except in cases where a different rate is indicated, all loans bear three per cent interest.

#### *Alpha Kappa Gamma Scholarship*

This scholarship is awarded annually in memory of Edith Stevens, Associate Professor of Biology at Longwood College from 1925 to 1945. The award is available for a freshman selected on the basis of ability, character and need by a committee of members of the society in cooperation with the Admissions Committee of the College. This loan scholarship amounts to \$100.00. Interest at 2% begins on the date of graduation or upon leaving college.

#### *Alpha Phi Sigma Loan Fund*

This fund was established in 1931 by Alpha Phi Sigma Society. Loans are made to students who need financial assistance in their college course.

#### *Alpha Sigma Alpha Loan Fund*

This fund was established by the Alpha Sigma Alpha Sorority March 6, 1937, for the benefit of deserving students who need financial help.

#### *Alpha Sigma Tau Loan Fund*

This fund was established by the Alpha Sigma Tau Sorority in March, 1942, for helping worthy students who need financial aid to complete their college course.

*Carrie Fowles Memorial Loan Fund*

This fund was established in 1945 by the will of Mrs. Lula Bradshaw Turpin in memory of Carrie Fowles, who was a student at the College in 1889. It is to be used as a means of aiding worthy students who need some assistance.

*Cunningham Memorial Loan Fund*

The alumnae of the College who were graduated during the administration of Dr. John A. Cunningham, from 1886 to 1896, raised a fund, intending to establish a scholarship in memory of his faithful and loving service to them and to the State, feeling that the most fitting tribute that could be paid him would be the effort to give to those who are unable to obtain it for themselves the training for the work to which he devoted his life. When this fund amounted to \$1,000 it was changed from a scholarship to a loan fund.

*Daughters of the American Revolution Loan Fund*

The Daughters of the American Revolution have established a student loan fund for the aid of worthy students in Virginia colleges. Not more than \$300 is available for any one institution, and no student may borrow more than \$300, or more than \$150 in one session. This loan is available only to juniors and seniors.

*Dramatic Club Loan Fund*

This fund was established by the Dramatic Club, March, 1940 for helping worthy students who need financial aid in order to complete their college course.

*Fay Byrd Johnson Memorial Loan Fund*

This fund was established in 1930 by the Mu Omega Sorority for the purpose of helping students who need financial assistance in order to pursue their college course.

*Gamma Theta Alumnae Loan Fund*

In 1949 the Gamma Theta local sorority (1911-1949) became the reactivated Alpha chapter of the Kappa Delta national sorority. The two Gamma Theta loan funds are being continued as the Gamma Theta Alumnae Loan Fund in memory of the local sorority. Its purpose is to assist worthy students in their college education.

*Jennie Masters Tabb Memorial Fund*

The alumnae and friends of Jennie Masters Tabb, Registrar of the College and secretary to the President from 1904-1934, established in 1945 a loan fund in her memory. This fund is to be used to aid worthy students.

*J. L. Jarman Loan Fund*

The Norfolk Chapter of the Alumnae Association established in 1942 a loan fund in honor of Dr. J. L. Jarman. This fund is to be used to aid worthy students.

*Junior Woman's Club Loan Fund*

This fund was established by the Farmville Junior Woman's Club in 1938. Its purpose is to assist worthy local students who need help in their college expenses.

*Knights Templar Educational Foundation*

This loan fund was established by the Knights Templar of Virginia for the aid of worthy students. It makes loans to juniors and seniors, sons or daughters of Masons residing in Virginia, of not more than \$225.00 per year for each or either of those two years. Interest is charged at the rate of 5% per annum beginning July 1st after graduation or after leaving college, whichever is earlier. For further information write to Mr. W. Norvell Woodward, Secretary-Treasurer, 4528 West Seminary Avenue, Richmond 22, Virginia.

*Mary White Cox Memorial Loan Fund*

This fund was established in 1945 as a memorial to Miss Mary White Cox by a gift from an alumna of the College. It is to be used as a means of aiding worthy students.

*Pi Kappa Sigma Loan Fund*

This fund was established by Pi Kappa Sigma Sorority, March, 1939, for helping worthy students who need financial aid in order to complete their college course.

*Prince Edward Chapter Alumnae Loan Fund*

This fund was started as a branch of the Virginia Normal League. For years many Prince Edward County girls received assistance from this fund without interest. Loans are made now at a small rate of interest. Applications for loans should be made to Mrs. W. J. Sydnor, Farmville, Virginia.

*Robert Fraser Memorial (The Virginia Normal League) Loan Fund*

The Virginia Normal League, organized by Dr. Robert Fraser in 1899 as a means of establishing a student loan fund, has been changed in name to the Robert Fraser Memorial Loan Fund. This fund has been maintained in times past by annual membership dues of one dollar, and by voluntary contributions. Today the return of loans is the chief source from which loans are made to students now making application for help from this organization. Miss Ottie Craddock is Secretary of this loan fund and it is to her that all payments on past loans should be made. Application for help from this fund should be made to the President of the College.

*State Student Loan Fund*

The College has a loan fund, appropriated by the State, for assistance to students. Not more than \$200 per session is granted to any one student.

*Tri-Sigma Loan Fund*

This fund was established by Sigma Sigma Sigma Sorority, at the Golden Anniversary of the College in March, 1934, for helping worthy students who need financial aid in order to complete their college course.

*United Daughters of the Confederacy Loan Fund*

The Virginia Division of the United Daughters of the Confederacy has established the Kate Noland Garnett Loan Fund. This loan amounts to \$150 and is granted to a sophomore, junior, or senior who is a lineal descendant of a Confederate soldier. Other scholarships or loans may be available. Applications should be made to Mrs. W. C. N. Merchant, Chairman, Committee on Education, Virginia Division, United Daughters of the Confederacy, Chatham, Virginia.

*Zeta Tau Alpha Loan Fund*

Zeta Tau Alpha, which was founded at the College in 1898, has established a student loan fund honoring the memory of one of its founders, Maud Jones Horner. The fund is used to aid deserving seniors. Loans are interest free.

# Programs of Study

The College offers seven curricula leading to degrees. These are:

- Curriculum I. Leading to the Bachelor of Science in Elementary Education degree.
- Curriculum II. Leading to the Bachelor of Science in Secondary Education degree. (By electing ten credits in approved courses from Curriculum I, a student will likewise be qualified to teach in the primary grades as well as in high schools.)
- Curriculum III. Leading to the Bachelor of Arts in Secondary Education degree.
- Curriculum IV. Leading to the Bachelor of Science in Home Economics degree.
- Curriculum V. Leading to the Bachelor of Science in Business Education degree.
- Curriculum VI. Leading to the Bachelor of Arts degree (liberal arts).
- Curriculum VII. Leading to the Bachelor of Science degree (liberal arts).

In addition to these curricula leading to degrees, the College offers the following special curricula:

- Curriculum V-A. A two-year certificate course in secretarial and clerical work.
- Curriculum VI-A. Pre-professional preparation for law and similar fields.
- Curriculum VII-A. Pre-professional preparation for medicine, dentistry, nursing, and medical and X-ray technique.

## MAJORS

All curricula provide for both a liberal education and specialization according to the particular interests of the student. Although the student at the beginning of his freshman year may select the curriculum he expects to enter, his decision at that time is not final. He may change as late as the beginning of the sophomore year without loss of credit.

Students who select Curriculum I, Curriculum IV, and Curriculum V are not expected to take a major in any one subject matter field,

but those enrolled in other curricula tentatively select a major at the beginning of the freshman year. If a student decides to change to another curriculum, he may do so at the beginning of the second semester of the freshman year, or at the beginning of the first semester of the sophomore year.

A major in Curriculum II or Curriculum III requires 18 to 24 semester hours credit, and a major in Curriculum VI or Curriculum VII requires 24 semester hours credit. No minors are required, but the student is advised to take at least 12 semester hours in each of several fields. Only those who have at least 12 semester hours college credit in a subject are certified to teach that subject under the present state regulations.

Ordinarily, a student preparing to teach should not take more than 24 semester hours in any one field, but in special cases with the approval of the Director of Teacher Education he may do so. Students who are not preparing to teach should seek a broad background in several fields, usually in subjects closely related to the major field. Care in selecting sequences of courses should prepare the student to change majors without losing credit, supply him with a broad general education background, and qualify him to teach two or more subjects in the high school.

Majors for students in Curricula II, III, VI, and VII are offered in the following fields: Art, biology, chemistry, English, French, geography, history, Latin, library science, mathematics, music, philosophy and psychology, physical and health education, social science, sociology, and Spanish.

## **THE FRESHMAN YEAR**

As indicated in the curricula outlined in this section of the catalogue, all freshmen enroll in a program of study which is essentially the same regardless of the curricula in which they plan to major or specialize. During the first year, the student studies English; history or geography; a science; physical education; and two elective courses selected on the basis of his tentative plans for the future. Suggestions are made in the outline of each curriculum regarding these elective courses. A definite choice of a curriculum and major is not made until the beginning of the sophomore year.

## GRADUATION REQUIREMENTS

The College awards the bachelor's degree to a student who has met the following requirements:

1. Completion of all study required in one of the seven curricula offered by the College.
2. Completion of a course of study giving a minimum of 126 semester hours of credit with a minimum general average of C (or 1.00 quality points) in all work taken and a minimum general average of C in courses taken in the major subject or field.
3. Attendance as a student for at least one session consisting of two semesters, including the last term immediately preceding graduation.

Not more than fourteen semester hours of correspondence work and not more than thirty semester hours of extension and correspondence work combined may be credited toward a degree.

## CHANGES IN REQUIREMENTS

Progressive development in the College forces constant revision of curricula. In every new catalogue some improvements are indicated. When no hardship is imposed on the student because of changes and when the facilities of the College permit, the student is expected to meet the requirements of the latest catalogue. In this way the student may realize the benefits of improvement in his curriculum that he would be unable to realize were he to follow the curriculum tabulated in the catalogue at the time he entered college.

Students returning to the College after an interruption of their college study are expected to conform to the requirements of the latest catalogue.

## CURRICULUM I

### **Bachelor of Science in Elementary Education**

The course of study outlined below leads to the degree of Bachelor of Science in Elementary Education. Students receiving this degree are fully qualified to be teachers in kindergartens and elementary schools. The State Board of Education will issue to them its highest teaching license, the collegiate professional certificate.

**First Year**

**CURRICULUM V-A****Certificate Course in Secretarial and Clerical Work**

This two-year curriculum prepares students for secretarial and other clerical positions in business, industry, and the offices of professional persons such as physicians. Successful completion of all courses outlined below leads to a certificate. Students wishing to continue their study beyond the two-year period may then enter the third year of study leading to the degree of Bachelor of Science in Business Education (Curriculum V) and receive their degree within the usual four-year period.

**First Year**

## CURRICULUM VII-A

### Pre-Professional Preparation for Medicine, Dentistry, Nursing, and Medical and X-Ray Technology

This curriculum prepares students for admission to accredited schools of medicine, dentistry, nursing, and medical and X-Ray technology. Adjustments in it can be made, with the approval of the Dean of the College, where necessary to meet any special requirements of professional schools. Students planning to enter schools of medicine will find, in the case of certain institutions, that they must complete three years of study rather than the two outlined below. Generally, they will follow the course of study outlined for the third year of Curriculum VII.

\*Students are advised to take courses in foreign language, Mathematics 141, 151, or the subjects which they have selected tentatively as their majors.

**First Year**

	First Semester	Second Semester
English and Guidance 111-112.....	3	3
History 111-112 or Geography 141-142.....	3	3

Physical education.....	1	1
Psychology.....	3	3
	<hr/>	<hr/>
Total hours of credit.....	17	17

\*Students are advised to take a foreign language or Mathematics 141, 151 and music or art.

# Departments of Instruction

Instruction in the College is offered by the departments described in this section of the catalogue. Included in the description of each department are the requirements for a major in it and the courses which it offers.

Numerous courses in most departments have prerequisites. These will be noted in the descriptions of the departments or the courses. Generally, courses numbered between 100 and 199 are for freshmen. Those numbered between 200 and 299 are for sophomores; those between 300 and 399 are for juniors; and those 400 and above are for seniors. Courses with numbers divided by commas, such as 111, 112 are semester courses. This means that the College gives credit toward a degree for the satisfactory completion of one semester of the course even though the student may not enroll in it for the second. Courses in which the numbers are hyphenated, such as 111-112, are year courses. In these, the College grants credit toward a degree for them only upon the successful completion of both semesters of the work.

## ART

MISS BEDFORD, MRS. LEMEN

The Department of Art includes courses in visual and tactile arts as well as art education for elementary and secondary teachers.

Freshmen may choose electives from the following: Art 121, 122, 201, 202, 221, 222, or Art 111, 112 for those interested in elementary education.

A major in Curriculum II requires: Art 121, 122, 221, 222, 312, 321, 322, 422.

A major in Curriculum VI and VII requires: Art 121, 122, 221, 222, 321, 322, one semester of Art Appreciation and one elective in the Department of Art.

### **Art 111, 112. Practical Arts.**

*First and second semesters; 4 periods a week; 3 credits each. Fee: \$1.50 each.*

MISS BEDFORD, MISS CARTER, MISS HALL

Accepted as Art requirement in Curriculum I only. For description see Department of Education, Psychology and Philosophy, Education 111, 112.

**Art 121, 122. General Art Structure.**

*First and second semesters; 5 periods a week; 3 credits each. Fee: \$2.00.*

MISS BEDFORD, MRS. LEMEN

Understanding the major and minor arts of past and present civilization through laboratory experiments, criticisms, discussions and research to develop appreciation and give a basis for good judgment as consumers.

Art 121. Color, composition, textile design and painting.

Art 122. Architecture, sculpture and minor arts.

**Art 201. Crafts.**

*First semester; 6 periods a week. Fee: \$3.50.*

MISS BEDFORD

Design approach to the creative use of tools and materials in vocational and recreational handicrafts for school, camp or home.

**Art 202. Advanced Crafts.**

*Second semester; 6 periods a week; 3 credits. Fee: \$2.00.*

MISS BEDFORD

Special problems in advanced crafts to include textile design, metal work and jewelry. Prerequisite Art 122 or 201.

**Art 211. Elementary Art Education.**

*First semester; 5 periods a week; 3 credits. Fee: \$1.00.*

MRS. LEMEN

Drawing, painting, design, composition and color related to the general elementary curriculum. Use and demonstration of media with emphasis on creativity.

**Art 221. Drawing and Composition.**

*First semester; 6 periods a week; 3 credits. Fee: \$2.00.*

MRS. LEMEN

Fundamentals of drawing, painting and composition in various mediums and techniques.

**Art 222. Ceramics and Sculpture.**

*Second semester; 6 periods a week; 3 credits. Fee: \$5.00.*

MISS BEDFORD

Modeling, decorating, glazing and firing clay. Sculpture and carving in plaster with emphasis on creativity.

**Art 223. Drawing and Composition.**

*Second semester; 6 periods a week; 3 credits. Fee: \$2.00.*

MRS. LEMEN

Continuation of Art 221. Emphasis on skill in mural composition. Oil painting.

**Art 312. Art Education.**

*Second semester; 3 periods a week; 3 credits.*

MRS. LEMEN

Principles of teaching art in the elementary and secondary schools. Lectures, discussions, observations and research.

**Art 321. Color, Design and Lettering.**

*First semester; 6 periods a week; 3 credits. Fee: \$2.00.*

MISS BEDFORD

Color in theory and practice applied to design and composition. Lettering for form, spacing and skill as related to advertising design.

**Art 322. Figure Drawing.**

*Second semester; 6 periods a week; 3 credits. Fee: \$2.00.*

MISS BEDFORD

Figure drawing from the model for proportion and action. Composition involving drawing, painting and design techniques.

**Art 331. Mechanical Drawing.**

*Offered any semester; 6 periods a week; 3 credits. Fee: \$1.00.*

MISS BEDFORD

(Students will furnish work manual and text.) Not offered in 1949-50.

**Art 421, 422. Art Appreciation.**

*First and second semesters; 3 periods a week; 3 credits. Fee: \$1.00 each.*

MISS BEDFORD

A survey of architecture, sculpture, painting and related minor arts of different countries from ancient times to the present. Not open to freshmen.

Art 421. Architecture and Sculpture. Not offered in 1949-50.

Art 422. Paintings. Offered first semester.

**Art 431. Painting: Oil.**

*Second semester; 6 periods a week; 3 credits.*

MISS BEDFORD, MRS. LEMEN

(Student will furnish all equipment and materials.)

**Art 441. Painting: Water Color.**

*Second semester; 6 periods a week; 3 credits.*

MISS BEDFORD, MRS. LEMEN

(Student will furnish all materials.)

## BIOLOGY

MR. JEFFERS, MR. BRUMFIELD, MISS BARON, AND ASSISTANTS

Biology 131 and 132 (General Biology) is prerequisite to all other courses offered in the Department. After the satisfactory completion of the first year, a student may elect any of the more advanced courses.

Students desiring to major in biology may take any combination of courses beyond the first year in order to obtain the required number of twenty-four credits.

Physics and chemistry are fundamental to an adequate understanding of biology. Further, biology teachers in high schools are frequently called upon to teach general science. For these reasons, students intending to major in biology are urged to elect general chemistry and general physics early in their college course. Biology majors are also advised to elect both mathematics and a foreign language, so that they may not be handicapped if they wish to pursue graduate work.

Laboratory fees must be paid at the Treasurer's Office before entering classes.

**Biology 131, 132. General Biology.**

*First and second semesters; 2 single and 2 double periods a week; 4 credits each. Fee: \$3.00 each semester. Prerequisite to all other courses in the department.*

MR. JEFFERS, MR. BRUMFIELD, MISS BARON, AND ASSISTANTS

**Biology 231, 232. Botany.**

*First and second semesters; 2 single and 2 double periods a week; 4 credits each. Fee: \$5.00 each semester.*

MR. BRUMFIELD

The first semester treats morphology and physiology; the second taxonomy, ecology and horticulture.

**Biology 331. Invertebrate Zoology.**

*First semester; 2 single and 2 double periods a week; 4 credits. Fee: \$5.00.*

MR. JEFFERS

**Biology 332. Comparative Anatomy.**

*Second semester; 2 single and 2 double periods a week; 4 credits. Fee: \$5.00.*

MR. JEFFERS

**Biology 351. Physiology.**

*First semester; 3 periods a week; 3 credits. Repeated second semester upon demand.*

MR. JEFFERS

**Biology 352. Genetics.**

*Second semester; 3 periods a week; 3 credits.*

MR. BRUMFIELD

**Biology 353. Laboratory Aids and Techniques.**

*Second semester; 2 double periods a week; 2 credits. Fee: \$5.00.*

MR. BRUMFIELD AND STAFF

**Biology 361. Bacteriology.**

*First semester; 1 single and 3 double periods a week; 4 credits. Fee: \$5.00.*

MISS BARON

**Biology 362. Mammalian Anatomy.**

*Second semester; 1 single and 3 double periods a week; 4 credits. Fee: \$5.00.*

MR. JEFFERS

May be taken only with the consent of the instructor.

**Biology 430. Biological Seminar.**

*Offered both semesters, and may be repeated for credit by a student. In that event the number will be 431, 432, etc. One period a week; 1 credit.*

MR. JEFFERS AND STAFF

Open only to a few qualified students subject to the approval of the head of the department.

## BUSINESS EDUCATION

MR. LANDRUM, MISS CRADDOCK, MR. MYERS,  
MR. SNEAD, MRS. WYNNE

The Department of Business Education meets the needs of students preparing to teach business subjects and students preparing for positions in the field of business. The courses offered in Curriculum V are cultural as well as vocational.

This curriculum, which is tabulated on pages 64-65, leads to:

1. The B. S. Degree and to teaching business subjects in the high school.
2. The B. S. Degree and to positions in the field of business
3. The B. S. Degree and to positions as medical and technical secretaries.

4. A two-year certificate and to clerical positions for students who complete the first two years.

Courses in the Department are also offered as electives for students in other fields. Those who are not preparing to teach should substitute for the required courses in education certain others in the Department of Business Education or in other departments that will prepare them definitely for specific types of work in which they are interested. Such substitutions must be approved by the head of the Department.

Those who desire to qualify for positions in teaching business subjects and for positions in business should follow the tabulation of Curriculum V, pages 64-65. By so doing, students will not only receive the Bachelor of Science Degree in Business Education, but will also receive from the Virginia State Board of Education a Collegiate Professional Certificate which entitles them to teach bookkeeping, typewriting, shorthand, office and secretarial practice, and social business subjects in the high schools of the State. Students who complete the requirements both for a degree and for a teacher's certificate have a decided advantage over students who do not.

Those who have had typewriting and shorthand in high school may be scheduled for advanced classes in those subjects at the time of registration.

If students plan to qualify for positions as medical and technical secretaries in offices of physicians, dentists, hospitals, clinics, and public health centers, they should elect courses in the natural and physical sciences that will prepare them for the specific type of work in which they are interested.

### Secretarial Studies

#### **Business Education 121-122. Typewriting.**

(For those who have had no typewriting.)

*First and second semesters; 5 periods a week; 2 credits each semester. Fee: \$3.00 each semester.*

MISS CRADDOCK

#### **Business Education 131-132. Shorthand.**

(For those who have had no shorthand.)

*First and second semesters; 5 periods a week; 3 credits each semester.*

MR. MYERS, MR. SNEAD

Mastery of the principles of Gregg shorthand. Reading shorthand plates and practice in writing sentences and letters. Development of ease in taking dictation; fluency emphasized as the basis of speed.

#### **Business Education 133-134. Shorthand.**

(For those who have had the equivalent of one year of shorthand.)

*First and second semesters; 5 periods a week; 3 credits each semester.*

MRS. WYNNE

**Business Education 221-222. Advanced Typewriting and Transcription.**

(For those who have had the equivalent of two years of typewriting and shorthand in high school or one year of typewriting and shorthand in college.)

*First and second semesters; 5 periods a week; 2 credits each semester.*

MR. SNEAD, MRS. WYNNE

Advanced work in business and legal papers, manuscripts, proofreading, stencils, etc. Arrangement of unorganized material. Composition and arrangement of various business letters, particularly letters of application. Shorthand transcription; machine dictation. Emphasis on transcription of business letters and forms. Fee: \$3.00 each semester.

**Business Education 231-232. Advanced Shorthand.**

(For those who have had the equivalent of two years of shorthand in high school or one year of shorthand in college.)

*First and second semesters; 3 periods a week; 3 credits each semester.*

MR. SNEAD, MRS. WYNNE

Intensive review of the principles of writing Gregg shorthand. Development of a shorthand vocabulary; special attention to phrasing and brief forms. Dictation and transcripts of various types of materials. Ability to transcribe accurately and attractively.

## Accounting

**Business Education 241-242. Accounting. (Elementary Accounting.)**

*First and second semesters; 3 periods a week; 3 credits each semester.*

MR. MYERS

Fundamental principles of accounting. Theory of debits and credits; journalizing and posting. Use of special journals and ledgers. The trial balance, balance sheet, profit and loss statement, work sheet, and adjusting and closing entries. Practice Set No. 1.

**Business Education 341. Accounting. (Advanced Accounting.)**

*First semester; 3 periods a week; 3 credits.*

MR. LANDRUM

Partnerships, corporations and corporation accounts and records, corporate earnings and surplus; corporation securities. Practice Set No. 2.

**Business Education 342. Accounting. (Social Security and Payroll Accounting.)**

*Second semester; 3 periods a week; 3 credits.*

MR. LANDRUM

Social security legislation, old-age benefits, unemployment compensation, required records, accounting for payroll taxes, deduction of income tax on wages.

## General and Social Business Subjects

**Business Education 151. Handwriting.**

(For Business Education students.)

*First or second semester; 2 periods a week; no credit.*

MISS CRADDOCK

Required of students who do not hold a certificate of proficiency or who have not attained a standard satisfactory to the instructor.

**Business Education 152. Handwriting.**

(For Elementary Education students.)

*Second semester; 2 periods a week; 2 credits.*

MISS CRADDOCK

Required in Curriculum I. Problems in the teaching of handwriting. Instruction in diagnostic testing. Emphasis on blackboard writing—both manuscript and cursive.

**Business Education 251. Merchandising.***First semester; 3 periods a week; 3 credits.*

MR. MYERS

Problems in retail store management, organization, and personnel. Buying and selling policies. Modern sales organization. Selling problems and practices. Sales campaigns. Personal selling.

**Business Education 252. Office Machines and Filing.***Offered both semesters; 5 periods a week; 3 credits.*

MR. MYERS

Operation of key-driven, crank-driven, and electric calculation machines, adding machines, bookkeeping machines, voice-scription, and duplication machines. Filing: alphabetic, numeric, variedex, and triple check systems. Fee: \$3.00.

**Business Education 350. Office Experience or Selling Experience.***Offered both semesters, or during the summer; 3 credits.*

MR. LANDRUM

The completion of a minimum of 300 clock hours of approved successful experience in either office or selling position. Work done preferably during the summer and completed before the beginning of the senior year. All prospective teachers urged to secure positions during summer or other convenient times. Credits not to be substituted for regular graduation requirements.

**Business Education 351. Insurance.***First semester; 3 periods a week; 3 credits.*

MRS. WYNNE

The organization of a life insurance company, description of life insurance policies and their uses. Property insurance, health and accident insurance, social insurance, and liability insurance also included. Emphasis on the economic importance of insurance in community and individual living.

**Business Education 352. Business Law.***Second semester; 3 periods a week; 3 credits.*

MR. SNEAD

Law relating to business; technical principles involved in contracts, negotiable instruments, and agency. Law of contracts as applied to partnerships, corporations, bailments, carriers, and sales of real and personal property. Practical drafting of legal documents.

**Business Education 353-354. Economics of Business.***First and second semesters; 3 periods a week; 3 credits each semester.*

MR. SNEAD

**Business Education 450. Clinical Practice.***(Required of those preparing to become medical secretaries.)**Offered both semesters; 6 credits.*

MR. LANDRUM

Experience in doctor's office, the college infirmary, or hospital laboratory.

**Business Education 451. The Teaching of Business Subjects.***Offered both semesters; 3 periods a week; 3 credits.*

MR. LANDRUM

**Business Education 452. Advanced Office Practice and Advanced Transcription.***Offered both semesters; 3 periods a week; 3 credits.*

MR. LANDRUM

Specialization on one or two office machines. A study of the shorthand manual. Accelerated dictation and production of accurate and attractive letters and transcripts on a time production basis.

**Business Education 454. Advertising.***Second semester; 3 periods a week; 3 credits.*

MRS. WYNNE

Principles underlying advertising as a marketing force; its economic and social aspects. Policies and objectives; selection, use, and cost of various media. Character and personnel of the advertising organization. Advertising campaigns. Displays, preparation of copy, and other practical work.

## CHEMISTRY AND PHYSICS

MR. McCORKLE, MISS BURGER, MR. FRENCH

This department offers courses in general, organic, physiological, and analytical chemistry; general physics; and general science.

A major in chemistry requires 24 semester hours in chemistry or 20 semester hours of chemistry and Physics 331 and 332. Since physics is essential to a thorough knowledge of chemistry, the major consisting of chemistry and physics is recommended if the student's work can be arranged to permit it.

Since very few high schools offer enough chemistry to employ a full-time chemistry teacher, it is best that a student with a chemistry major who plans to teach elect physics and biology. By so doing he is prepared to teach the other sciences offered in the high schools.

Students planning to enter nursing, medicine, and related fields are advised to select their courses to meet the entrance requirements of the institution of their choice. They are enrolled in Curriculum VII, and such adjustments in courses are made in requirements as are necessary to meet their needs.

### Chemistry

#### Chemistry 121-122. General Chemistry.

*First and second semesters; 2 single and 2 double periods a week; 4 credits each semester. Laboratory fee: \$5.00 each semester.*

MR. FRENCH

#### Chemistry 221, 222. Organic Chemistry.

*First and second semesters; 2 single and 2 double periods a week; 4 credits each semester. Prerequisite: Chemistry 122. Laboratory fee: \$6.00 each semester.*

MR. McCORKLE

#### Chemistry 224. Introduction to Physiological Chemistry.

*Second semester; 2 single and 2 double periods a week; 4 credits. Prerequisite: Chemistry 221. Laboratory fee: \$6.00.*

MR. McCORKLE

#### Chemistry 321. Quantitative Analysis (Volumetric).

*First semester; 4 double periods a week; 4 credits. Laboratory fee: \$6.00. Prerequisite: Chemistry 122.*

MR. McCORKLE

#### Chemistry 322. Quantitative Analysis (Gravimetric).

*Second semester; 4 double periods a week; 4 credits. Prerequisite: Chemistry 321. Laboratory fee: \$6.00.*

MR. McCORKLE

#### Chemistry 323. Qualitative Analysis.

*Second semester; 4 double periods a week; 4 credits. Prerequisite: Chemistry 321. Laboratory fee: \$6.00.*

MR. McCORKLE, MR. FRENCH

#### Chemistry 341-342. General Chemistry.

*First and second semesters; 2 single and 2 double periods a week; 4 credits each semester. Laboratory fee: \$5.00 each semester.*

MR. FRENCH

Similar to Chemistry 121-122, but designed as a beginning course for juniors and seniors.

### Physics

#### Physics 131, 132. General Physics.

*First and second semesters; 2 single and 2 double periods a week; 4 credits each semester. Laboratory fee: \$6.00 each semester.* MR. McCORKLE

#### Physics 331, 332. Selected Topics in General Physics.

*First and second semesters; 2 single and 2 double periods a week; 4 credits each semester. Laboratory fee: \$6.00 each semester.* MR. McCORKLE

### General Science

#### Science 141, 142. Physical and Biological Science.

*First and second semesters; 4 periods a week; 4 credits each semester. Laboratory fee: \$2.00.* MISS BURGER

#### Science 342. Science for Elementary Teachers.

*Second semester; 4 periods a week; 4 credits. Laboratory fee: \$3.00.*

MISS BURGER

Required in Curriculum I.

## EDUCATION, PSYCHOLOGY, AND PHILOSOPHY

MR. WYNNE, MISS CARTER, MRS. COVER, MR. COYNER, MISS HEADLEE,  
MR. JOHNSON, MR. SAVAGE, MR. SWERTFEGER, PRINCIPALS,  
SUPERVISORS, SUPERVISING TEACHERS

The Department of Education, Psychology, and Philosophy contributes to general education, professional education, and specialized education in the program of the College. In some courses the primary emphasis is on general education; in others it is on professional education; and in still others it is on specialized or vocational education, although in many courses all three emphases are given attention. In emphasis, student teaching contributes about equally to general education, specialized education, and professional education.

For a major in psychology and philosophy 24 semester hours are required, including the required courses in these subjects. (See description of courses.)

### Education

#### Education 111, 112. Practical Arts.

*First and second semesters; 4 periods a week; 3 credits each semester; required in Curriculum I. Open to freshmen.* MISS HALL, MISS BEDFORD, MISS CARTER

The productive and artistic aspects of food, clothing, and shelter. Fee for material: \$1.50 each semester. (Same as Art 111, 112 and Home Economics 111, 112.)

#### Education 325-326. Language Arts in the Elementary School.

*First and second semesters; 3 periods a week; 3 credits each semester. Required in Curriculum I. Open to juniors.* MISS CARTER, MISS SUTHERLIN

(Same as English 325, 326. See Department of English.)

**Education 331, 332. Elementary Education.**

*First and second semesters; 3 periods a week; 3 credits each semester. Required in Curriculum I. Open to juniors. Fee of \$1.00 for Education 332.*

MR. WYNNE, MISS CARTER

Principles of elementary education.

**Education 341, 342. Secondary Education.**

*First and second semesters; 3 periods a week; 3 credits each semester. Required in Curricula II and III. Open to juniors.*

MR. JOHNSON, MR. SWERTFEGER, MR. WYNNE

Principles of education and secondary school practice.

**Education 345. Introduction to Guidance and Counseling.**

*Second semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. SAVAGE

Introductory course in the techniques of counseling boys and girls in elementary and high schools.

**Education 347. Audio-Visual Education.**

*First semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. JOHNSON, MISS HEADLEE

Principles of education and uses of audio-visual equipment and materials.

## Psychology

**Psychology 221, 222. Educational Psychology.**

*First and second semesters; 3 periods a week; 3 credits each semester. Required in Curricula II, III, IV, V. Open to sophomores.*

MR. COYNER, MISS CARTER, MR. SWERTFEGER

Subject matter, methods, and applications of educational psychology.

**Psychology 231, 232. General Psychology.**

*First and second semesters; 3 periods a week; 3 credits each semester. Required in Curricula VI, VII. Open to sophomores.*

MR. COYNER, MR. SWERTFEGER

Subject matter, method, and application of general psychology.

**Psychology 241, 242. Psychology and Child Development.**

*First and second semesters; 4 periods a week; 3 credits each semester. Required in Curriculum I. Open to sophomores.*

MR. SWERTFEGER

Fundamentals of child development as related to the experiences of pupils in the elementary school. Child study and psychology of learning.

**Psychology 351. Applied Psychology.**

*First semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. COYNER, MR. SWERTFEGER

Application of the findings of modern experimental psychology.

**Psychology 353. Mental Hygiene.**

*Second semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. COYNER

Principles, methods, and practices of mental hygiene.

**Psychology 355. Individual Differences.**

*First semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. COYNER

Nature and significance of individual differences.

**Psychology 357. Modern Psychological Theories.**

*Second semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. COYNER, MR. SWERTFEGER

Different explanations of recognized psychological phenomena.

**Philosophy****Philosophy 451, 452. Philosophies of Education.**

*First and second semesters; 3 periods a week; 3 credits each semester. Required in Curricula I, II, III, IV, V. Fee of \$1.00 for Philosophy 452.*

MR. WYNNE, MR. SWERTFEGER, MISS CARTER

Critical examination of philosophies of education defined in terms of theories of experience and of theories of school practice.

**Philosophy 461, 462. Education and Philosophy.**

*First and second semesters; 3 periods a week; 3 credits each semester. May be substituted for Philosophy 451, 452. Open to juniors and seniors. Fee of \$1.00 for Philosophy 462.*

MR. WYNNE, MR. SWERTFEGER

Theories of mind, knowledge, reality and value and their implications and applications in the school and in other social institutions.

**Philosophy 467, 468. History of Philosophy.**

*First and second semesters; 3 periods a week; 3 credits each semester. Open to juniors and seniors.*

MR. WYNNE, MR. SWERTFEGER

Historical development of philosophic thought.

**Philosophy 471. Logic.**

*First semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. WYNNE, MR. SWERTFEGER

Formal logic and reflective thinking.

**Philosophy 473. Ethics.**

*Second semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. SWERTFEGER, MR. WYNNE

Theories of human conduct.

**Philosophy 475. Aesthetics.**

*Second semester; 3 periods a week; 3 credits. Open to juniors and seniors.*

MR. SWERTFEGER, MR. WYNNE

Theories of aesthetic experience.

**Teaching****Education 300. Teaching in the Elementary School.**

*Offered both semesters; 15 or more periods a week, varying with conditions; 10 credits. Required in Curriculum I. Open to juniors and seniors.*

MR. WYNNE, SUPERVISORS

Directed teaching in the elementary school.

**Education 400. Teaching in the High School.**

*Offered in both semesters; 10 or more periods a week, varying with conditions; 6 to 10 credits. Required in Curricula II, III, IV, V, of students preparing to teach. Open to juniors and seniors.*

MR. WYNNE, SUPERVISORS

Directed teaching in the high school.

## ENGLISH

MR. GRAINGER, MRS. DAVIS, MISS FOSTER, MISS JENNINGS  
MISS NICHOLS, MISS SUTHERLIN, MISS WHEELER

The Department of English offers courses in composition, literature, reading, and speech and in the teaching and the history of English. The Department seeks to coordinate its work with that of the other departments and with the counseling program of the College. It seeks the cooperation of all instructors in securing and maintaining good use of English in all classes. Improvement in the command and use of the mother tongue is further motivated by many of the extra-curricular activities.

Students in advanced courses who show marked deficiencies in the fundamentals of English are required to remedy these deficiencies before receiving credit.

To become eligible to take a major in English, a student must make C or above in English 111-112 or the equivalent. The major in English requires also the following: English 211-212, two semesters elected from courses in English or Speech with numbers above 200, English 405, and either English 411 or 412.

Students taking English as their major in curricula leading to teaching in the high school are advised to shape their programs so as to include studies in the related fields of history and the social studies, foreign languages, speech, music, and art. Those who wish to qualify themselves as teacher-librarians may elect courses in library science.

### Composition

#### English 111-112. Freshman English.

*First and second semesters; 5 periods a week; 3 credits each semester. Required in all curricula.*

MR. GRAINGER, MRS. DAVIS, MISSES FOSTER, JENNINGS, NICHOLS, SUTHERLIN

Study and practice of oral and written composition, grammar, rhetoric, and speech, paralleled by exploratory and recreational reading in literature, mainly American. Related in part to the college counseling program.

#### English 220. Business English.

*First or second semester; 3 periods a week; 3 credits. Required in Curriculum V.*  
*Prerequisite: English 111-112.* MISS NICHOLS

#### English 250. Creative Writing.

*First or second semester; 3 periods a week; 3 credits. Prerequisite: English 111-112.* MR. GRAINGER

#### English 320. Introduction to Journalism.

*First semester; 3 periods a week; 3 credits. Prerequisite: English 111-112.*

MR. GRAINGER

**English 405. Senior Composition and Grammar.**

*First or second semester; 3 periods a week; 3 credits. Required in English major. Prerequisite: English 111-112 and one additional year of English.* MISS FOSTER

**Special Spelling.**

*First and second semester; no credit; required for students found to be deficient in spelling.*

**Literature****English 211-212. English Literature Survey.**

*First and second semesters; 3 periods a week; 3 credits each semester. Required in the English major; elective for others. (Not permitted for those who have credit for English 215, 216, 311, 312.) Prerequisite: English 111-112.*

MR. GRAINGER, MISSES JENNINGS AND NICHOLS

**English 215-216. Sophomore English in Curriculum I.**

*First and second semesters; 3 periods a week; 3 credits each semester. Required in Curriculum I. Prerequisite: English 111-112.* MISS SUTHERLIN, MRS. DAVIS

Study of classic background materials of children's literature with related oral and written composition. Parts of the Old and New Testament, Homer and Greek mythology, King Arthur legends, etc., English and American masters who have written for and about children since the XVIII century.

**English 224-225. American Writers.**

*First and second semesters; 3 periods a week; 3 credits each semester.*

MRS. DAVIS, MISSES JENNINGS AND NICHOLS

English 224, New England and Eastern writers to Civil War times; English 225, Southern and Western writers since Civil War times.

**English 247-248. Bible Literature.**

*First and second semesters; 3 periods a week; 3 credits each semester.*

MR. GRAINGER

English 247, Old Testament; English 248, New Testament.

**English 331-332. The Novel.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: English 111-112.* MISS FOSTER

English 331, Earlier novels; English 332, later novels.

**English 361-362. Shakespeare.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: English 111-112. Recommended for English major.* MR. GRAINGER

English 361, Comedies; English 362, Tragedies.

**English 365. Tennyson and Browning.**

*First semester; 3 periods a week; 3 credits. Prerequisite: English 111-112.*

MISS JENNINGS

**English 366. The Short Story.**

*Second semester; 3 periods a week; 3 credits. Prerequisite: English 111-112.*

MISS JENNINGS

**English 367. Modern Poetry.**

*First semester; 3 periods a week; 3 credits. Prerequisite: English 111-112.*

MISS JENNINGS

**English 421-422. World Classics in Translation.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Two years of English.* MRS. DAVIS

English 421, Ancient and Medieval Classics; English 422, Modern Classics.

## Teaching and History of English

Students majoring in English in Curricula II and III, preparing to teach English in the high school, carry on directed teaching in this field during their senior year, as Education 400, under a supervising teacher and a consultant in the Department of English.

MRS. DAVIS

### English 325-326. Language Arts in the Elementary School.

*First and second semesters; 3 periods a week; 3 credits each semester. Required in Curriculum I. (Same as Education 325-326.) Prerequisites: English 111-112, 215-216.*

MISSSES CARTER AND SUTHERLIN

English 325, Language and Reading, Miss Carter; English 326, Children's Literature, Miss Sutherlin.

### English 411, 412. History of English Language.

*First and second semesters; 3 periods a week; 3 credits each semester. One semester required in English major. Prerequisite: Two years of English.*

MR. GRAINGER

English 411, Old and Middle English; English 412, Modern English.

## Honors Courses In English

### English 460. Honors Course in English.

*First and second semesters of the senior year; equivalent to one period a week throughout the year; 3 credits for the year. Open to students with a major in English who at the middle of the second semester of their junior year have attained an average of "B" or above in English and of "C" or above in their total work.*

MR. GRAINGER, CHAIRMAN OF COMMITTEE

Individual study, research, or creative writing under the guidance of a committee of the Faculty, in a field chosen by the student with the approval of the committee. Frequent consultation with members of the committee. Monthly reports of progress. Final paper and oral examination.

## Speech

### Speech 101-102. Elements of Speech.

*First and second semester; 3 periods a week; 3 credits each semester.*

MISS WHEELER

Speech 101—Fundamentals of Speech: Development and use of the speaking voice; correction of defects in speech; phonetics; reading of short selections of poetry and prose; brief talks and reports. Speech 102—Oral Interpretation: Application of the skills and technics acquired in Speech 101, in reading, in extemporaneous talks, in brief reports, and in choral speaking and dramatics.

### Speech 201. Radio Broadcasting.

*Offered each semester; 3 periods a week; 3 credits.*

MISS WHEELER

Training in voice and speech; preparation of radio script; practice in announcing and in broadcasting entire programs.

### Speech 321. Public Speaking.

*First semester; 3 periods; 3 credits. Prerequisite: English 111-112.*

MISS WHEELER

**Speech 331. Plays and Festivals.**

*Second semester; 3 periods a week; 3 credits. Prerequisite: English 111-112. Recommended for major in English, music, or physical education.* MISS WHEELER

Various types of dramatic entertainment suitable for presentation in public schools, including plays, festivals, and pageants. Study and application of principles of play production.

**Speech 431-432. Play Production.**

*First and second semester; 3 periods a week; 3 credits each semester. Prerequisite: English 111-112. Recommended for major in English* MISS WHEELER

Principles of play production. Reading and listing plays suitable for production in public schools. Training in play directing. Students in this course eligible to membership in dramatic club without apprenticing.

**Speech 441-442. History and Development of Drama.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: English 111-112. Recommended for English major.* MISS WHEELER

Speech 441: Brief study of primitive and folk drama; Greek and Roman drama; pre-Shakespearean drama in England; Elizabethan drama. Speech 442: Modern English and American drama; modern trend of drama as to subject and technique contrasted with earlier forms. Study of significant modern dramatists and of contemporary dramatic criticism.

**Speech Clinic.**

*Offered each semester. No credit.*

MISS WHEELER

Required for students with speech defects, foreign accents or slovenly oral usage.

**FOREIGN LANGUAGES**

MISS DRAPER, MISS BARKSDALE, MISS ANCEY

Students desiring a major in French, in Spanish, or in Latin are advised to elect two or more years of a second foreign language.

A major in foreign languages requires 24 semester hours in French, 24 semester hours in Spanish, or 24 semester hours in Latin, exclusive of French, Spanish, and Latin 111-112. A student must elect 18 semester hours in one language, or 12 semester hours in one and 6 semester hours in another, to fulfill the foreign language requirements of the different curricula.

A course in methods of teaching foreign languages, taught by a member of the Department of Foreign Language, is given with Education 400. It is a course primarily for majors in foreign languages, is conducted entirely in English, and gives no credit toward the major in French, in Spanish, or in Latin.

A native Spanish student and a native French student assist in each class once a week for drill in pronunciation and oral use of the languages. They are also hostesses of French and Spanish-speaking tables in the dining room and take part in the club meetings, thus

offering unusual opportunities for speaking both languages and learning about customs and cultures.

A fee of fifty cents, each semester, will be charged in all modern language classes.

## French

### French 111-112. Beginners' French.

*First and second semesters; 5 periods a week; 3 credits each semester.*

MISS DRAPER

Topics and readings about France.

### French 121-122. Intermediate French.

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: A minimum of two years of high school or one year of college French.*

MISS DRAPER

Topics and readings about French life and culture.

### French 221-222. Advanced French.

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Intermediate French.*

MISS DRAPER

Language, phonetics, and reading of modern French writers.

### French 321-322. A Survey of French Literature.

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Intermediate French*

MISS DRAPER

(Offered alternate years.)

### French 421, 422. Contemporary French Literature.

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: French 221-222, or French 321-322.*

MISS DRAPER

(Offered alternate years.)

## Spanish

### Spanish 111-112. Beginners' Spanish.

*First and second semesters; 5 periods a week; 3 credits each semester.*

MISS DRAPER

Topics and readings about Puerto Rico and Mexico.

### Spanish 121-122. Intermediate Spanish.

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: A minimum of two years of high school or one year of college Spanish.*

MISS BARKSDALE

Topics and readings about Latin-American life and culture.

### Spanish 221-222. Advanced Spanish.

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Intermediate Spanish.*

MISS BARKSDALE

Language and reading of selected works of contemporary Spanish and Spanish-American writers.

### Spanish 321-322. Survey of Spanish Literature.

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Advanced Spanish.*

MISS BARKSDALE

**Spanish 421, 422. Spanish-American Literature.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Advanced Spanish.*

MISS BARKSDALE

**Spanish 441, 442. Modern Spanish Literature for Spanish-Speaking Students.**

*First and second semesters; 3 periods a week; 3 credits each semester.*

MISS BARKSDALE

(Offered alternate years.)

**Spanish 443, 444. Spanish-American Literature for Spanish-Speaking Students.**

*First and second semesters; 3 periods a week; 3 credits each semester.*

MISS BARKSDALE

(Offered alternate years.)

**Spanish 445, 446. Spanish Classics for Spanish-Speaking Students.**

*First and second semesters; 3 periods a week; 3 credits each semester.*

MISS BARKSDALE

(Offered alternate years.)

## Latin

**Latin 111-112. Beginners' Latin.**

*First and second semesters; 5 periods a week; 3 credits each semester.*

MISS ANCEY

**Latin 113-114. Intermediate Latin.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: A minimum of two years of high school or one year of college Latin.*

MISS ANCEY

A review of Latin fundamentals and reading of easy prose, comprising a survey of Roman history.

**Latin 221-222. Advanced Latin.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Intermediate Latin.*

MISS ANCEY

Vergil's *Aeneid*: Translation, scansion, mythology and Latin elements in the English language.

**Latin 241-242. A Survey of the Earlier Periods of Latin Literature.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Advanced Latin.*

MISS ANCEY

Plautus, Terence, Caesar, Cicero, Lucretius, Catullus.

**Latin 341-342. A Survey of the Later Periods of Latin Literature.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Advanced Latin.*

MISS ANCEY

Sallust, Livy, Vergil, Horace, Tibullus, Propertius, Ovid, Seneca, Petronius, Martial, Tacitus, Pliny.

**Latin 451, 452. Ovid's Metamorphoses.**

*First and second semesters; 3 periods a week; 3 credits each semester. Prerequisite: Advanced Latin.*

MISS ANCEY

**Latin 461, 462. General Elective.**

*First and second semesters; 3 periods a week; 3 credits each semester.*

MISS ANCEY

Varied to suit the interests or needs of the students enrolled.

## HISTORY AND THE SOCIAL SCIENCES

MR. MOSS, MISS MORAN, MISS PECK, MR. SCHLEGEL,  
MISS STUBBS, MR. SIMKINS, MISS WATERS

The Department of History and the Social Sciences attempts to integrate the whole field of the social sciences.

The basic requirements for a major in history are History 111-112 and 221-222. Thereafter if the student's principal interest lies in United States history a major requires nine credits in United States History and three credits in non-United States History, all in junior-senior courses. If the major interest is non-United States History the above distribution is reversed. All history majors are earnestly urged to explore the other social sciences by way of their electives.

The subject matter of geography includes materials from both the natural and the social science fields. Since major emphasis is placed upon the life of people as it is related to natural environment, courses in geography are counted as credits in social science. A major in this field requires twenty-four credits.

In sociology a major requires Economics 443-444, Government 331, and fifteen semester credits in sociology, which should include Sociology 221-222.

Students preparing to enter social welfare work should take at least eighteen credits in sociology, including social psychology; eight credits in biology; six credits in economics; and three credits in American government.

A major in the social sciences requires twenty-four semester hours, not more than twelve of which may be in any one social science.

### History

#### History 111-112. History of Civilization.

*First and second semesters; 3 periods a week; 3 credits each semester.*

MR. MOSS, MISS PECK, MR. SCHLEGEL

A survey course in world civilizations.

#### History 221-222. American History.

*First and second semesters; 3 periods a week; 3 credits each semester.*

MR. MOSS, MR. SCHLEGEL

An introductory survey course in American history.

#### History 331. American Civil War and Reconstruction.

*First semester in even numbered years; 3 periods a week; 3 credits. Prerequisite: History 221-222.*

MR. SCHLEGEL

#### History 332. Europe Since Waterloo.

*Second semester in even numbered years; 3 periods a week; 3 credits. Prerequisite: History 111-112.*

MR. SCHLEGEL

Nineteenth and twentieth century European history.

**History 334. United States History Since 1900.**

Second semester in odd numbered years; 3 periods a week; 3 credits. Prerequisite:  
History 221-222. MR. SCHLEGEL

**History 441. Virginia History.**

First semester in even numbered years; 3 periods a week; 3 credits. Prerequisite:  
History 221-222. MR. MOSS

**History 442. Southern History.**

Second semester in even numbered years; 3 periods a week; 3 credits. Prerequisite:  
History 221-222. MR. MOSS

**History 443, 444. British History.**

First and second semester in even numbered years; 3 periods a week; 3 credits  
each semester. Prerequisite: History 111-112. MR. MOSS

**History 445. Latin American History.**

First semester in odd numbered years; 3 periods a week; 3 credits.

MR. MOSS

**History 446. History of the Far East.**

Second semester in odd numbered years; 3 periods a week; 3 credits.

MR. MOSS

**History 447. American Colonial History.**

First semester in odd numbered years; 3 periods a week; 3 credits. Prerequisite:  
History 221-222. MR. MOSS

**History 448. History of Russia.**

First semester in odd numbered years; 3 periods a week; 3 credits. Prerequisite:  
History 111-112. MR. MOSS

**History 449. History Seminar.**

Second semester; 1 period a week; 1 credit. Open only to senior history majors.

MR. MOSS, MR. SCHLEGEL

**The Social Sciences****Economics****Economics 441, 442. Economic History.**

First and second semesters in odd numbered years; 3 periods a week; 3 credits each  
semester. Prerequisites: History 111-112, History 221-222. MR. SCHLEGEL

The first semester is European, the second American, economic history.

**Economics 443-444. Principles of Economics.**

First and second semesters; 3 periods a week; 3 credits each semester.

MR. SCHLEGEL

**Geography****Geography 141-142. Survey of World Geography.**

First and second semesters; 3 periods a week; 3 credits each semester.

MISS MORAN

Climates of the world; comparative studies of the continents, with emphasis  
upon selected countries and colonial areas.

**Geography 151. Climates of the World.**

First semester; 3 periods a week; 3 credits.

MISS WATERS

**Geography 152. Geography of the Lands.***Second semester; 3 periods a week; 3 credits.*

MISS WATERS

The earth's surface features; relationships between cultural and natural landscapes. Rocks and other features of the present which reveal interesting geologic changes of the past. Illustrative studies of physiographic regions of U. S. A. and of Europe.

**Geography 211-212. Geography for Teachers in Elementary Schools.***First and second semesters; 3 periods a week; 3 credits each semester.*

MISS MORAN

Community and type environments; problems of unit teaching in studies of food, clothing, shelter, and recreation; type environments of lands different from ours.

**Geography 241, 242. Geography of the Continents.***First and second semesters; 3 periods a week; 3 credits each semester.*

MISS MORAN

Geography 241, the New World; Geography 242, the Old World. Interpretation of economic and social conditions in various countries, with emphasis upon natural factors aiding or hindering development.

**Geography 352. Conservation of Natural Resources.***Second semester; 3 periods a week; 3 credits.*

MISS WATERS

Offered in even numbered years.

**Geography 353. Geography of Virginia.***First semester; 3 periods a week; 3 credits.*

MISS WATERS

Offered in odd numbered years.

**Geography 362. Geography of Bible Lands.***Second semester; 3 periods a week; 3 credits.*

MISS WATERS

Palestine and neighboring districts; importance of geographic conditions in their history. Emphasis upon regional contrasts within Palestine. Present-day conditions compared with those of Bible times. Offered on demand.

**Geography 422. Economic Geography.***Second semester; 3 periods a week; 3 credits.*

MISS MORAN

A world survey of production as related to environmental conditions; agriculture, minerals, forests, fisheries, manufactures; emphasis on the sources of our food, clothing and shelter. The position of Virginia and the United States in world trade.

**Geography 451, 452. Geography of Current Problems.***First and second semesters; 3 periods a week; 3 credits each semester.*

MISS MORAN

Current periodicals used in discovering problems; college texts used in discussing geographic aspects of the problems and in efforts to work out solutions.

**Geography 461. A Social Studies Work Shop.***First semester; 3 periods a week; 3 credits.*

MISS MORAN

The geography of the United States with special emphasis on Virginia's place in the nation; methods of problem teaching in the social studies field, employing many types of activities, such as making and using slides and motion pictures. Offered in odd numbered years.

**Geography 462. Geography of the Soviet Union and of China.***Second semester; 3 periods a week; 3 credits.*

MISS MORAN

Surveys of geographic conditions in the past, present, and probably future of each of those countries. Offered in even numbered years.

### Government

- Government 331. American National Government.**  
*First semester; 3 periods a week; 3 credits.* MR. MOSS
- Government 332. Comparative Government.**  
*Second semester in even numbered years; 3 periods a week; 3 credits. Prerequisite: Government 331.* MR. MOSS
- Government 441. International Relations.**  
*First semester in odd numbered years; 3 periods a week; 3 credits.* MR. SCHLEGEL
- Government 442. American State and Local Government.**  
*Second semester in odd numbered years; 3 periods a week; 3 credits. Prerequisite: Government 331.* MR. MOSS
- Government 443. Political Parties.**  
*First semester in odd numbered years; 3 periods a week; 3 credits. Prerequisite: Government 331.* MR. SCHLEGEL

### Sociology

- Sociology 221, 222. Introductory Sociology.**  
*First and second semesters; 3 periods a week; 3 credits each semester* MISS STUBBS  
 Emphasis in Sociology 222 placed on social development of the child.
- Sociology 331. Social Psychology.**  
*First semester; alternate years; 3 periods a week; 3 credits.* MISS STUBBS
- Sociology 332. Race and Cultural Minorities.**  
*Second semester; 3 periods a week; 3 credits.* MISS STUBBS
- Sociology 334. Family Relations and Child Development.**  
*Second semester; 3 periods a week; 3 credits. (Same as Home Economics 334.)* MISS STUBBS
- Sociology 441. Marriage and the Family.**  
*Each semester; 3 periods a week; 3 credits.* MISS STUBBS
- Sociology 442. Introduction to Social Service.**  
*Second semester; 3 periods a week; 3 credits.* MISS STUBBS
- Sociology 443. The Community.**  
*First semester; 3 periods a week; 3 credits.* MISS STUBBS
- Sociology 444. Contemporary Social Problems.**  
*Second semester; alternate years; 3 periods a week; 3 credits* MISS STUBBS
- Sociology 445. Social Pathology.**  
*First semester; alternate years; 3 periods a week; 3 credits.* MISS STUBBS

### HOME ECONOMICS

MISS TUPPER, MRS. GRIGG, MISS HALL, MISS JETER

The general aims of this department are to prepare students to teach home economics in the public schools, to prepare students for other positions in the home economics field, and to give training and

experience in the scientific administration of the home. These aims arise from the fact that the College has been selected by the State Board of Education as one of the institutions for the education of home economics teachers for the junior and senior high schools of the State. The courses outlined in Curriculum IV (see pages 63-64) meet the standards set by the State Board of Education and the federal authorities. The courses in Curriculum IV and the practical work are so arranged that students may likewise qualify for teaching chemistry.

The facilities of the Department of Home Economics are adequate in every respect. The home management house and the laboratories are conveniently located. The equipment is modern.

A major in home economics requires the following courses: Home Economics 221, 222, 232, 321, 322, 332, 334, 336, 341, 342, 345, 346, 347, 348, 431, 441.

All laboratory fees must be paid at the Treasurer's Office before registering for classes.

#### **Home Economics 111, 112. Practical Arts Education.**

MISS CARTER, MISS BEDFORD, MISS HALL

See Department of Education, Psychology and Philosophy for a description of this course. Fee: \$1.50 each.

#### **Home Economics 121, 122. Introduction to Home Economics.**

*First and second semesters; 2 double and 1 single periods a week; 3 credits each semester. Fees: First semester, 25 cents; second semester, \$2.50.*

MISS TUPPER, MISS JETER

Problems of adjustment to college life are considered.

#### **Home Economics 221, 222. Food for the Family.**

*First and second semesters; 2 double periods a week; 2 credits each semester; elective for second year students. Laboratory fee: \$4.50 each semester.*

MISS JETER

The family's food needs. Food conservation, planning, purchasing, preparing and serving meals of various types at different cost levels.

#### **Home Economics 321, 232. Clothing for the Family.**

*Home Economics 321 offered first semester and Home Economics 232 the second semester; 2 double and 1 single periods a week; 3 credits each semester. Laboratory fee: 25 cents each semester.*

MISS TUPPER

Consumer aspects of family clothing problems. Related study of textiles and costume design. (Home Economics 232 before Home Economics 321.)

#### **Home Economics 322. Advanced Clothing.**

*Second semester; 2 double and 1 single periods a week; 3 credits. Fee: 25 cents.*

MISS TUPPER

Clothing problems based on student needs.

#### **Home Economics 332. Advanced Foods.**

*Second semester; 2 double periods a week; 2 credits. Prerequisite: Home Economics 221 and 222. Laboratory fee: \$4.50.*

MISS JETER

Advanced study of foods based on student problems.

**Home Economics 334. Family Relations and Child Development.***Second semester; 3 periods a week; 3 credits. (Same as Sociology 334.)***Home Economics 336. Home Economics Education and Directed Observation of Children.***Second semester; 2 periods a week; 2 credits.*

MRS. GRIGG

Development of criteria by which to organize a program of homemaking education for communities. Techniques for studying homes and students as a background for curriculum building.

**Home Economics 341. Home Care of the Sick.***Second semester; 1 single and 1 double period a week; 2 credits. Fee: 50 cents.*

MISS HALL

Responsibility of the homemaker for conserving the health of the family.

**Home Economics 342. Managing the Home.***First semester; 1 double and 2 single periods a week; 3 credits. Fee: 50 cents.*

MISS HALL

Consideration of the problem involved in planning, guiding, and controlling the human and material resources of the family.

**Home Economics 343. School Lunch.***First semester; 2 single and 1 double periods a week for 9 weeks; 2 credits. Fee: \$1.00*

MISS JETER

Practical problems in organizing and administering school lunches.

**Home Economics 345-346. Principles of Nutrition.***First and second semesters; 2 double periods a week; 2 credits each semester. Prerequisites: Home Economics 221 and 222. Laboratory fee: \$1.50 each semester*

MISS JETER

The fundamental principles of nutrition and their application to the feeding of individuals and families under varying physiological and economic conditions.

**Home Economics 347, 348. House Planning, Decoration and Equipment.***First and second semesters; 2 double periods a week; 2 credits each semester. Fee: \$1.00 each semester.*

MISS TUPPER

Structural and decorative design of the house and its furnishings. Consideration of issues affecting housing as they condition family living.

**Home Economics 372. Home Crafts.***First semester; 1 single and 1 double periods a week for 9 weeks; 2 credits.*

MISS TUPPER

Home craft problems applied to dress, dress accessories and home furnishings.

**Home Economics 382. Art in the Home.***Second semester; 1 single and 1 double periods a week for 9 weeks; 2 credits.*

MISS TUPPER

A study of practical problems in the decoration of the home.

**Home Economics 421. Home Economics for Elementary Teachers.***First semester; 3 single periods a week; 3 credits. Required in Curriculum I.*

MISS HALL

A survey of the various aspects of home and family life and their relation to the integrated program.

**Home Economics 431. Teaching Methods in Home Economics.***Offered each semester; 2 single periods a week; 2 credits.*

MRS. GRIGG

Principles of education applied to the field of home economics teaching.

**Home Economics 441. Home Management House Residence.***9 weeks. Prerequisite: Home Economics 332 and 342. Laboratory fee: \$3.00.*

MISS HALL

**LIBRARY SCIENCE**

MISS RUFFIN, MISS TERRY, MISS SEABERG, MISS O'BRIEN

The courses in library work are planned for the following groups of students: (1) those students who wish to meet the certification requirements for teacher-librarians in the public schools of Virginia; (2) those students who wish to meet the requirements in library science for entering upon a master's program at a library school; (3) those students who wish to elect one or more courses in library science as a part of their general education. These courses in library science may also serve as a foundation in preparing for the examinations given by the Virginia State Board for the Certification of Librarians.

A teacher-librarian may be defined as a teacher in a high school or in an elementary school who is also a part-time librarian. Twelve semester hours in library science are required to meet the minimum standards set by the Virginia State Board of Education for a position as a teacher-librarian. A professional librarian may be defined as either (1) a librarian who has been granted a professional degree or certificate from a library school accredited by the American Library Association, or (2) a librarian who has passed the examinations in library science given by the Virginia State Board for the Certification of Librarians.

**Program for Concentrating in Library Science**

Curriculum I. Students preparing to teach in elementary schools may qualify as teacher-librarians by taking 12 to 18 semester hours in library science. Library science 300 satisfies the requirements for one-half of the supervised teaching for students in this curriculum.

Curricula II and III. Students preparing to teach in high schools may obtain a major in library science consisting of a minimum of eighteen credits in library science courses and other courses approved by the head of the Department of Library Science. Library Science 400 satisfies the requirements for one-half of the supervised teaching for students obtaining a library science major. Ability to use a typewriter is desirable.

Curricula VI and VII. Students who wish to prepare for a fifth year of library training without qualifying as teachers in the Virginia public school system may obtain a major in library science in Curricula

VI and VII. Two years of study of a modern foreign language on the college level, or its equivalent, is required. Ability to use a typewriter is desirable.

**Library Science 321. Selection of Library Materials.**

*First semester; 3 periods a week; 3 credits.*

MISS RUFFIN

**Library Science 326. Children's Literature.**

*Second semester; 3 periods a week; 3 credits. (Same as Education 326 and English 326.)*

MISS SUTHERLIN

**Library Science 341. Reference Use of Library Materials.**

*Second semester; 3 periods a week; 3 credits.*

MISS RUFFIN, MISS SEABERG

**Library Science 345. Classification and Cataloging.**

*Second semester; 2 single and 2 double periods a week; 3 credits*

MISS TERRY

**Library Science 347. Audio-Visual Education.**

*First semester; 3 periods a week; 3 credits. (Same as Education 347.)*

MR. JOHNSON

**Library Science 348. School Library Administration.**

*First semester; 3 periods a week; 3 credits.*

MISS RUFFIN

**Library Science 300. Practice Work in Elementary School Libraries.**

*Offered both semesters; 5 periods a week; 3 credits. (This course may be offered for one-half of the required teaching in Education 300.)*

MISS RUFFIN, MISS FUSSLER

**Library Science 400. Practice Work in High School Libraries.**

*Offered both semesters; 5 periods a week; 3 credits. (This course may be substituted for one-half of the required teaching in Education 400.)*

MISS RUFFIN, MISS O'BRIEN

## MATHEMATICS

MISS SUTHERLAND, MRS. PHILLIPS

The Department of Mathematics offers two types of courses: (1) those designed primarily to meet the needs of students who plan to teach in the elementary and secondary schools of the State; (2) those designed to provide the pure mathematics required of students in Curricula VI and VII.

A major in mathematics in Curricula II and III consists of Mathematics 141, 151, 231, 233 or 335, 345, 346, 451 and three or four credits in electives approved by the head of department. A major in mathematics in Curricula VI and VII consists of Mathematics 141, 151, 231, 233 or 335, 345, 346, 453 or 454 and three or four credits in electives approved by the head of department.

Mathematics 141 and 151 or 325, will satisfy the mathematical requirements in Curricula III, VI, and VII. A student in Curriculum

VII who wishes to elect Mathematics 325 should have the approval of the head of department in his major subject.

Prerequisites for a major: one and one-half units of algebra and one unit of geometry.

All students are advised to elect Mathematics 121 and 122.

**Mathematics 121, 122. General Mathematics.**

*First and second semesters; 3 periods a week; 3 credits each semester. (Mathematics 121 required in Curriculum I.)*

MISS SUTHERLAND

Important phases of mathematics needed by the individual in everyday life; the nature of our number system; the nature of the fundamental operations; history and precision of measurement; approximate computation; statistical concepts and interpretation of data.

**Mathematics 123. Mathematics for Teachers in the Elementary School.**

*Second semester; 2 periods a week; 2 credits. Required in Curriculum I.*

MISS SUTHERLAND

The subject matter of arithmetic from the teacher's point of view; emphasis on meanings and understandings; social usage of certain topics; analysis and solution of problems.

**Mathematics 141. College Algebra.**

*First semester; 3 periods a week; 3 credits.*

MRS. PHILLIPS

**Mathematics 142. College Algebra.**

*Second semester; 3 periods a week; 3 credits. Prerequisite: Mathematics 141.*

MRS. PHILLIPS

**Mathematics 151. Plane Trigonometry.**

*Second semester; 3 periods a week; 3 credits. Prerequisite: Geometry.*

MRS. PHILLIPS

**Mathematics 221. Commercial Arithmetic.**

*Offered both semesters; 3 periods a week; 3 credits. Required in Curriculum V.*

MISS SUTHERLAND

**Mathematics 231. Analytic Geometry.**

*First semester; 3 periods a week; 3 credits.*

MRS. PHILLIPS

**Mathematics 233. Solid Geometry.**

*Second semester; 3 periods a week; 3 credits. (Offered alternate years.)*

MRS. PHILLIPS

Not required for a major if high school credit has been given.

**Mathematics 323. Mathematics for Teachers in the Elementary School.**

*Second semester; 3 periods a week; 3 credits. Required in Curriculum I.*

MISS SUTHERLAND

A continuation of Mathematics 123.

**Mathematics 325. Statistics.**

*First semester; 3 periods a week; 3 credits.*

MISS SUTHERLAND

Theory and practical applications of statistics.

**Mathematics 335. Advanced Plane Geometry.**

*Second semester; 3 periods a week; 3 credits. (Offered alternate years.)*

MRS. PHILLIPS

Introduction to the field of modern geometry; the circle and triangle; some theorems of historic interest.

**Mathematics 345, 346. The Differential and Integral Calculus.***First and second semesters; 3 periods a week; 3 credits each semester.*

MRS. PHILLIPS

**Mathematics 451. The Teaching of High School Mathematics.***First semester; 3 periods a week; 3 credits.*

MRS. PHILLIPS

**Mathematics 453. History of Mathematics.***Second semester; 3 periods a week; 3 credits. (Offered alternate years.)*

MRS. PHILLIPS

Evolution of mathematical knowledge and its relation to the progress of human civilization; its relation to the enrichment of the teaching of mathematics in the secondary schools.

**Mathematics 454. Use of Mathematical Instruments.**

*Second semester; 3 periods a week; 3 credits. Prerequisite: Trigonometry. (Offered alternate years.)*

MRS. PHILLIPS

Applications of mathematics to indirect measurement with simple exercises in surveying, leveling, and map-making. Instruction in the slide rule is included.

## MUSIC

MISS PATTERSON, MISS CLARK, MR. WAKEFIELD

The aims of the Department of Music are to emphasize the aesthetic, intellectual, and social values of music; to broaden the conception of the function of music in the public schools; to prepare grade teachers to teach music in their respective grades; to prepare supervisors and special teachers of music in elementary and high schools; to help students in the use of the singing voice; and to develop an understanding and appreciation of the best music through group participation in song and through directed listening to the world's greatest musical literature.

The required courses in Curriculum I are Music 121, 122, 231. A major in music requires the following courses: Music 121, 122, 231, 232, 333, 334, 361, 362, 365, 421, 461, Piano 191, 192, and Voice 181, 182.

Students enrolling in Curricula II, III, or VI, who plan to major in music should enroll in Music 121-122 during their freshman year.

Credit for advanced standing in voice and piano will be given to music majors upon satisfactory completion of an entrance examination.

**Music 121, 122. Elements of Music.***First and second semesters; 3 periods a week; 2 credits each semester.*

MISS PATTERSON

This course acquaints students with certain musical techniques. Solfeggio, song singing, dictation, major, minor and chromatic scales, triads, rhythmic and tonal problems are studied. Careful attention is given to the correct use of the singing voice.

**Music 231. School Music Materials and Problems in the Elementary Grades.***First semester; 3 periods a week; 2 credits. Prerequisites: Music 121, 122.*

MISS PATTERSON

The child voice, rhythmic work, grade choruses, dramatization and creative work, program building, listening activities, and the presentation of song material in the schoolroom are topics studied.

**Music 232. School Music Materials and Problems in the Junior High and Senior High Schools.***Second semester; 3 periods a week; 2 credits. Prerequisites: Music 121, 122.*

MISS PATTERSON

Choruses, part singing, the changing voice, dramatization and creative work, music history and appreciation, and organization and conducting of bands and orchestras are topics developed in the course.

**Music 328. Choreographic Music.***Second semester; 2 periods a week; 2 credits.*

This course develops an appreciation for and understanding of music which has been written especially for the dance of today. (See Physical Education 328.)

**Music 333-334. Harmony I and II.***First and second semesters; 3 periods a week; 3 credits.*

MISS CLARK

A study is made of the principal and subordinate chords through hearing, performing, and writing given and original melodies and basses; further study includes non-chord tones, related modulations and altered chords.

**Music 361-362. A Survey of Music Literature.***First and second semesters; 3 periods a week; 3 credits.*

MISS PATTERSON

A survey of early vocal and instrumental music; a study of musical instruments; folk and art song development; further study of musical periods beginning with early church music; beginnings of opera, oratorio, and symphonic music; national tendencies.

**Music 365. History of Music.***First semester; 3 periods a week; 3 credits.*

MISS PATTERSON

The study of music in relation to world history from ancient times to the present stressing significant periods in music history, composers and their works, and vocal and instrumental development.

**Music 421. Conducting Choirs, Orchestras, Bands.***Second semester; 3 periods a week; 3 credits.*

MR. WAKEFIELD

This basic course in conducting offers work in the technique of the baton, stressing command of the fundamental beats. Factors in interpretation, score reading, terminology, rehearsal aims and procedures, program building and duties of the conductor are studied and evaluated.

**Music 445-446. Music in Western Culture.***First and second semesters; 3 periods a week; 3 credits.*

MR. WAKEFIELD

A cultural course for students who have not had previous work in other college music courses. A survey is made of the structural elements of music, vocal forms, orchestral instruments, and the integration of music with literature and other arts.

### Extra-Curricular Musical Activities

#### Choral Singing.

*First and second semesters; 2 periods a week; no credit.* MR. WAKEFIELD

This choral period is open to all students who wish to study advanced solfeggio, glee club materials, operettas, and cantatas. Fee: \$2.00 each semester. Formal programs are given each semester.

#### Advanced Choral Singing (College Choir).

*First and second semesters; 2 periods a week; no credit.* MR. WAKEFIELD

Students desiring to elect College Choir will be given an audition by the Director and upon selection may register for the course. Standard choral compositions will form the content of the course. Formal programs are given each semester. Fee: \$2.00 each semester.

#### Madrigal Singers.

*First and second semesters; 2 periods a week; no credit.* MR. WAKEFIELD

Twenty selected voices compose this choir. Choruses chosen from the best in choral literature form the content of the course. Special attention is given to preparation and performance of these works.

### Applied Music

Opportunity is offered for cultural development through either the piano, or voice literature. Technical facility and interpretation are stressed. Students may enter at any stage of advancement and continue from that point.

Fee for individual instruction: \$55 a semester; 2 half-hour lessons a week; 1 credit.

Fee for class instruction: \$30 a semester; 2 one-hour lessons a week; 1 credit. (Fee includes use of a piano for practice.)

Special classes will be formed which will emphasize easy rhythmic and tonal problems and will feature simple accompaniments. They will be especially valuable to elementary and physical education majors.

Piano 191, 192. Elementary.	MISS CLARK
Piano 291, 292. Intermediate I.	MISS CLARK
Piano 391, 392. Intermediate II.	MISS CLARK
Piano 491, 492. Advanced.	MISS CLARK
Voice 181, 182. Elementary.	MR. WAKEFIELD
Voice 281, 282. Intermediate I.	MR. WAKEFIELD
Voice 381, 382. Intermediate II.	MR. WAKEFIELD
Voice 481, 482. Advanced.	MR. WAKEFIELD

### PHYSICAL AND HEALTH EDUCATION

MISS BARLOW, MISS ILER, MRS. LANDRUM, AND ASSISTANTS

This department has a two-fold purpose: first, to provide professional courses in physical and health education that will prepare students to teach physical education in the elementary school, high school, and college; second, to provide opportunity for all students to engage in developmental and recreational activities.

A regulation suit is required in all activity courses. The suits are purchased through the College.

The swimming pool will be open to students at certain hours for recreational purposes. Those desiring this privilege must register at the swimming pool office and wear the regulation swimming suit.

All students are required to pass a beginner's swimming test or a course in swimming before the end of the junior year, unless excused by the College Physician.

A bachelor of science degree with a major in physical education requires the following courses: Activity courses including Physical Education 111, 112, 212, 232, 322, 323, 324, 329, 353, 354; theory courses including Physical Education 336, 337, 339, 340, 401. Physical Education 321, 330 and 402, Health Education 239 and Music 328 are also recommended as electives.

Students with a major in physical education who have not had a college course in human physiology are required to take Biology 351 as a prerequisite to Physical Education 336 and 339.

It is desirable for the teacher of physical education or a worker in the field of recreation to have ability in music, dancing, handicrafts, camping and various sports.

All students with a major in physical education are expected to participate in the intra-mural program offered by the Athletic Association.

## Physical Education

### Physical Education 111, 112. Freshman Physical Education.

*First and second semesters; 3 periods a week; 1 credit each semester. Required of all freshmen.*

MISS ILER, MRS. LANDRUM

Participation in games, athletics, gymnastics and dance.

### Physical Education 111R, 112R. Freshman Restricted Physical Education.

*First and second semesters; 3 periods a week; 1 credit each semester.*

MISS BARLOW

Modified activities substituted for regular class work for those students for whom a program of light activities is recommended on the advice of the College Physician.

### Physical Education 210. Swimming. (Beginners).

*Offered each semester; 3 periods a week; 1 credit.*

MISS BARLOW

Instruction in techniques of strokes and diving.

### Physical Education 211. Swimming (Intermediate).

*Offered each semester; 3 periods a week; 1 credit.*

MISS BARLOW

Continuation of Physical Education 210.

### Physical Education 212. Swimming (Advanced).

*Offered each semester; 3 periods a week; 1 credit.*

MISS BARLOW

Continuation of Physical Education 211 including the American Red Cross Senior Life Saving Course.

**Physical Education 231. Fundamentals of the Dance.**

*First semester; 3 periods a week; 1 credit.*

MRS. LANDRUM

Beginning course for students who have not had any modern dance; based on body techniques, fundamental rhythms and the primary elements of composition.

**Physical Education 232. Modern Dance.**

*Second semester; 3 periods a week; 1 credit. Prerequisite: Physical Education 231 or upon recommendation of instructor.*

MRS. LANDRUM

An approach to contemporary dance techniques with emphasis on the elements of creative group work.

**Physical Education 233. Seasonal Sports (Beginners).**

*First semester; 3 periods a week; 1 credit.*

MISS ILER

Practice and study of techniques in sports for beginners.

Unit 1—Hockey or tennis or golf or archery.

Unit 2—Basketball or volleyball.

**Physical Education 234. Seasonal Sports (Beginners).**

*Second semester; 3 periods a week; 1 credit.*

MISS ILER

Practice and study of techniques in sports for beginners.

Unit 1—Basketball or volleyball.

Unit 2—Tennis or archery or golf.

**Physical Education 318. Gymnastics.**

*Second semester; 3 periods a week; 1 credit.*

MISS ILER

Fundamental conditioning gymnastics for strength, agility, and endurance.

**Physical Education 322. Dance Choreography.**

*Second semester; 3 periods a week; 1 credit.*

MRS. LANDRUM

Modern dance for the advanced student who wants to know how to teach others; to direct pageants, festivals and dance clubs.

**Physical Education 323. Seasonal Sports (Advanced).**

*First semester; 3 periods a week; 1 credit.*

MISS ILER

Advanced practice and study of techniques in sports.

Unit 1—Hockey or tennis or golf or archery.

Unit 2—Tennis or golf or archery.

**Physical Education 324. Seasonal Sports (Advanced).**

*Second semester; 3 periods a week; 1 credit.*

MISS ILER

Advanced practice and study of techniques in sports.

Unit 1—Basketball or volleyball.

Unit 2—Tennis or golf or archery.

**Physical Education 328. Choreographic Music.**

*Second semester; 2 periods a week; 2 credits.*

MRS. LANDRUM

An appreciation for and an understanding of music which has been written expressly for dance of today.

**Physical Education 329. Tap and Social Dance.**

*First semester; 3 periods a week; 1 credit.*

MRS. LANDRUM

Unit I—Tap Dance.

Material survey of current educational practice in tap dance, with emphasis on the development of creative group tap dance.

Unit II—Social Dance.

Steps and combinations of current and basic types of social dance.

**Physical Education 330. American Square Dance.***Second semester; 3 periods a week; 1 credit.*

MRS. LANDRUM

Practice in regional forms of American dance.

**Physical Education 336. Physiology of Exercise.***Second semester; 2 periods a week; 2 credits. Prerequisite: Biology 351.*

MISS BARLOW

Mechanisms involved in the adjustment of the body to the neuro-muscular activities.

**Physical Education 337. Recreational Leadership.***First semester; 3 periods a week; 2 credits.*

MISS ILER

Study of the varied activities comprising a balanced recreational and camp program. Includes discussion and practice.

**Physical Education 339. Anatomy and Kinesiology.***First semester; 4 periods a week; 3 credits. Prerequisite: Biology 351.*

MRS. LANDRUM

Basic human anatomy for the study of body mechanics and principles of movement in utilitarian activities, fundamental skills, sports, swimming and dance.

**Physical Education 340. Corrective Physical Education.***First semester; 3 periods a week; 2 credits. Prerequisite: Physical Education 339. Not offered in 1949.*

MRS. LANDRUM

Study of and practice in presenting activities for handicapped, atypical and temporarily disabled.

**Physical Education 351, 352. Methods and Materials of Teaching Physical Education in Elementary Schools.***First and second semesters; 3 periods a week; 2 credits first semester; 1 credit second semester. Required in Curriculum I. Prerequisites: Physical Education 111, 112.*

MISS BARLOW

Principles and techniques involved in the selection and presentation of physical education activities for the elementary school.

**Physical Education 353, 354. Methods and Materials of Teaching Physical Education in Junior and Senior High Schools.***First and second semesters; 3 periods a week; 2 credits each semester. Prerequisites: Physical Education 111, 112.*

MISS ILER, MISS BARLOW

Selection and presentation of activities in physical education for junior and senior high school girls.

**Physical Education 401. History and Principles of Physical Education.***First semester; 2 periods a week; 2 credits.*

MISS BARLOW

Historical survey of the field of physical and health education; present day trends and practices; theoretical concepts and underlying principles.

**Physical Education 402. Organization and Administration of Physical Education.***Second semester; 3 periods a week; 3 credits.*

MISS ILER

Problems and procedures in physical education, including tests and measurements.

**Health Education**

**Health Education 239. First Aid and Accident Prevention.**

*Second semester; 3 periods a week; 2 credits.*

MISS BARLOW

Meets the requirement of basic American Red Cross courses in first aid and accident prevention; certificates are issued to those who complete the course.

**Health Education 341. Personal, School and Community Health.**

*Offered each semester; 2 hours a week; 2 credits.*

MISS BARLOW

Principles of health and safety education and procedures in the conduct of a school health program as required in the Virginia schools.
