LONGWOOD UNIVERSITY MACE

SYMBOLIC OF AUTHORITY, a mace is an object carried by officials on ceremonial occasions. The honor of carrying Longwood's mace is bestowed upon a senior faculty member chosen as chief faculty marshal by the university president. The chief faculty marshal leads the procession of faculty during convocation, commencement and other special occasions.

The university's mace acknowledges Longwood's 2002 designation as a university. The architectural elements employed in the design represent Longwood physically and metaphorically. Specifically, the design recalls the historic heart of Longwood's campus, Ruffner Hall and the Rotunda.

The mace's fluted shaft recalls Ruffner's columns and symbolizes the pillars of knowledge. The cube adorned with the Longwood University Seal, the Seal of the Commonwealth of Virginia and Joan of Arc's coat of arms represents the university's mission to inspire leadership in service of the common good. Encased within the cube are objects from the university's past, including a minié ball that struck Ruffner Hall during the Civil War as well as a piece of wood that remained when Ruffner burned to the ground in 2001. The top of the mace depicts Ruffner Hall's Rotunda (rebuilt and rededicated in 2005), which is emblematic of Longwood's spirit of perseverance. By tradition, a mace is surmounted with an orb, symbolizing the cosmos. Here, the Rotunda dome serves this purpose and also symbolizes Longwood's role as a sanctuary for learning.

ACADEMIC REGALIA

The hooding ceremony is a special recognition ceremony for students earning master's degrees. Master of Business Administration — Drab
