Dear Mr.Rick,

You visited me with Mr.Staeger J.P. on Mai 23rd 1978 in the afternoon. I could not invite you for the evening nor to change from the Hotel Hirschen (stag Inn) into my little house, as we had guests in the evening. - But next morning at early time I phoned to the holder of the Inn and asked if you were still there. I was informed that you had left. So I phoned to Mrs.Staeger who informed me that you and her son had gone to Zurich by railway.

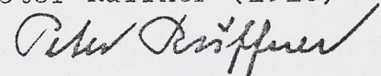

Now, if you are getting to search about Peter the immigrant in about 1732, I think you first should read all the correspondances between Mrs. and Mr. Doris and Caleb A.Ruffner and me. Perhaps you uncle Caleb and his wife are still keeping the originals and copies of all the many letters. - If somebody else then you is going to continue in searching I would be pleased to get his address from you. I always will be at your disposal. -If you and your father and mother intend to visit Maienfeld please inform me and I will try to be at home to receive you.

You could not see much here as the weather then was not good, clouds and fog dit not give any sight on the mountains surrounding our little town. To give you some impression of our county I join here a prospectus. Our house is marked by a x.

I would be glad to have your visit again and also in getting answer from you.

With best wishes to success in looking after Peter 1732 and cordially greetings

Peter Ruffner (1910)
