Dear friends

I remember you my letters, dated January 6th, 1983 and January 4, 1984. I suppose that you contacted Mr. Frederick in Detroit with the result that he sent me by airmail 2 parcels, containing the books named in the here enclosed copies of

- Museums-Stiftung Hirzel, February 18, 1985
- Kantonsbibliothek Graubünden, Feb. 20, 1985

thanking for the gifts I could let have them in order of Mr. Frederick Ruffner in Detroit.

He got from me also a letter, sent him on the 22nd of this month, thanking him and inviting him and his people, also you included, to make visit in Switzerland again and not missing to visit us. - We would like to have your visit this year.

We hope that you both are well, as well to can do the short trip to see us for the first time.

It would be for us a pleasure to have answer from you saying that you can accept our invitation and when about you could do the flight until Zurich-Kloten, where I could fetch you to bring you in our home by my little car.

Thankful also to you we both present you our cordial greetings

Peter+Annie Ruffner
