Life is pretty good, until it's not

Life is pretty good, until one day when it's not
When people are scared

And grocery stores are bare

Life is pretty good, until one day when it's not
When home becomes your sanctuary

And the world seems a little less light and airy

Life is pretty good, until one day when it's not
Wild thoughts and emotions take over

And all you can do is roll over

Life is pretty good, until one day when it's not
