Agenda
Faculty Senate Meeting
Thursday, January 25, 2001
Salon B, 3:30 p.m.

1. Approval of the minutes of the December 14, 2000, Senate meeting. (See attached Word file.)
2. Report on the Governor's budget proposals. -- Mr. Harnage
3. Faculty Representative on the Foundation Board. -- The Longwood Foundation would like the Faculty Senate to nominate several faculty members from whom they will select the Faculty Representative on the Foundation Board. Our current representative, Betty Jo Simmons, has completed three consecutive three year terms and is ineligible to serve again immediately. Please be thinking of some good choices for this position.
4. Report from the General Education Committee. -- Mikie Flanigan (See attached Word file.)
Report from the EPC on the general education proposal. -- Mikie Flanigan (See attached Word file.)
Discussion of these reports.
5. Motion to accept the proposal on general education from the General Education Committee. -- Mikie Flanigan. (See Word file.)

Note: The Executive Committee would like to see a thorough discussion of the proposals from the General Education Committee and the EPC before their adoption is formally moved. This will allow a more flexible discussion and will provide a chance to talk about how any proposed amendments might affect the proposal as a whole. Unless the discussion goes particularly smoothly, it is quite possible that the formal motion to accept the proposal and the votes on any amendments will be postponed until the February Senate meeting.
