How your decisions can affect your life

Choose Your Own Pathway

- In this activity you will be deciding which path Andy Bernard takes from his childhood to his last days on the earth. Andy goes through life with different decisions he has to make about tobacco products and how each decision will impact his life. You will be seeing both the positive and negative decisions that he could potentially make. On the next slide there will be a link that will take you to the interactive activity.

Andy Bernard Pathways
