Longwood College recognizes superior scholarship through the Dean's List and the announcement of honor graduates at Commencement. Those students whose general averages for four years of study are 3.35 or above are graduated with the following honors: 3.35 - 3.54, "Cum Laude;" 3.55 - 3.74, "Magna Cum Laude;" and 3.75 - 4.00, "Summa Cum Laude." Honors for December degree candidates are based on work completed during Summer 1987 and may change due to Fall 1987 grades. Changes in honors categories will be reflected on diplomas.
