Longwood College recognizes superior scholarship through the Dean's List and the announcement of honor graduates at Commencement. Those students whose general averages for four years of study are 3.35 or above are graduated with the following honors: 3.35 - 3.54, "Cum Laude;" 3.55 - 3.74, "Magna Cum Laude;" and 3.75 - 4.00, "Summa Cum Laude." Honors for December degree candidates are based on work completed through Summer 1988 and may change due to Fall 1988 grades. Changes in honors categories will be reflected on diplomas.
