EPC REPORT TO FACULTY SENATE

ACTION ITEMS:

1. New Goal 9 General Education Course: GEOG 220--Geography of South America/3cr
2. Clarification of the humanities requirement for the BA, BM, and BFA degrees.
EPC proposes that the catalog should be interpreted literally as it reads; in particular, modern language at any level and not in the major discipline would satisfy the humanities requirement (if the course is not already meeting a degree or general education requirement).

INFORMATION ONLY ITEM:

1. A new Transfer Guide incorporating substantial changes is almost ready. All transfer credits earned subsequent to the publication of the new Transfer Guide will be evaluated using the new guide.
